## Overseas Veteran In L. A. Shoots Wife To Death And Suicides

### POLICE IN PROBE OF MYSTERY SLAYING

#### Detectives Work to Unravel Veil Surrounding Motive for Act

LOS ANGELES, Mar. 25.—Police detectives and attaches of the coroner's office here this afternoon were at work seeking to unravel a mystery surrounding the motive for a double tragedy which occurred in East Ninth street shortly before noon today.

After shooting his wife three times and killing her almost instantly, William T. Snodgrass, 30 years of age, a returned overseas soldier, ended his own life by sending a bullet through his brain.

The dual slaying took place in the room of Mrs. Snodgrass. Within a few minutes after the fatal shots were heard, calls were sent in to the central police station and the Flying Squadron made a rapid dash to the East Ninth street Snodgrass home.

Mrs. Snodgrass must have died as soon as the bullets struck her, investigators believed.

No motive for the tragedy had been found up to 2 o'clock this afternoon.

#### BISBEE'S KIDNAPING CASE DEFENSE OPENS

TEMPESTONE, Ariz., Mar. 25.—The defense today actually opened its case in the Bisbee deportation trial. Attorney Frank Curley for the defense was to begin his opening statement when court convened.

His statement will be modeled according to the rules laid down by Judge Pattee in his opinion rendered yesterday.

Much doubt exists as to the exact effect of the court's ruling. It is generally believed the ruling will lead to another on the admissibility of evidence to prove a general I. W. U. conspiracy after the actual situation regarding Bisbee has been shown. The court specified that actual conditions preceding the deportations must be proved before any conspiracy evidence is admitted.

The ruling specifies that the defense may introduce evidence to prove an I. W. U. conspiracy only as it specifically refers to Bisbee.

#### DUBLIN SOLDIER IN 'CIVVIES' MURDERED

DUBLIN, Mar. 25.—A soldier in civilian clothes was shot dead here yesterday afternoon. The three assassins escaped. A Queenstown dispatch said the chairman of the district council of the Sinn Fein had received a letter threatening his life if any police in Queenstown are killed.

#### HEN WAKES OWNER AS DAILY EGG ARRIVES

BEND, Ore., Mar. 25.—J. A. McKenzie has a perfect combination alarm clock and breakfast producer. His pet hen wakes him every morning when she lays a fresh egg on his bed and rouses him with her announcement.

#### 1200 GALLON CELLAR IN PREACHER'S HOME

ST. PAUL, Minn., Mar. 25.—If federal authorities loosen up with a name they're keeping secret, a certain clergyman is bound to have a crowd at church next Sunday. He was arrested charged with selling two gallons of wine from his cellar of 1200 gallons.

#### BABY FOOLS POLICE; SLEEPS UNDER BED

SPOKANE, Wash., Mar. 25.—Two score neighbors, four cops and half the available motor equipment of the police department spent four hours hunting two-year-old Lauren Kirk. Then Kirk, Sr., phoned the station. "Tee hee!" he said. "She was asleep under the bed all the time."

### MOTHER URGES SON TO FORGIVE FATHER FOR SHOOTING HIM

CHICAGO, Mar. 25.—Mother love refused today to condemn the father who Tuesday night shot and seriously wounded Frank Plano, 17 years old, to save his soul.

Mrs. Plano with her eight months' old baby visited the hospital where her son lay wounded and asked him to forgive his father. "If Frank will reform there is nothing too good for him that is within our power to give him," she said. "His father wanted to teach him a lesson."

Frank, steadily recovering from the three bullet wounds inflicted when his father found him loafing with a gang of "toughs" promised to "go straight" if he recovered.

The father was still being held by the police today, pending the outcome of his son's wounds. He will be charged with assault, with intent to kill, police say.

### PORTABLE HOUSE AS SOLUTION FOR HIGH RENTS GIVEN JOLT

CHICAGO, Mar. 25.—The debut of the portable house as a solution of the high cost of renting received a jolt here today.

Chicago union carpenters refused to complete the setting up process of the first of these houses. They were ordered to stop by William Brims, union carpenter's official.

The portable house is a project against the interests of our organization," Brims said. The real union made house is made by union carpenters here, not out of town.

"The house is union made, every part of it," R. S. Bassett, lumber man, back of the project, stated today. "The rub is that the material was not produced by a Chicago concern."

### TWO DANIELS-SIMS SCRAP PROBES UNDER WAY IN WASHINGTON

WASHINGTON, Mar. 25.—The Daniels-Sims controversy today was investigated at the capitol and at the Navy Department simultaneously.

Captain L. C. Talmer, formerly chief of the bureau of navigation, testified at the Senate probe that Secretary Daniels had ordered him to stop enlisting naval reserves in January, 1917, just before the war, and did the same thing "four to five times after, up to late in 1917 on the ground that ships were not ready."

Palmer said he went on enrolling recruits because he knew they needed six months' training.

While Palmer was testifying at the capitol, the court of inquiry at the Navy Department began investigating the charges of Rear Admiral W. T. Fletcher that Admiral Sims without just cause removed him from command at Brest.

### ALLEGED 'JAZZ CAT' OIL CONTRACT BARED

SAN DIEGO, Cal., Mar. 25.—A contract, calling for the sale of Mayor Louis J. Wilde's "jazz cat oil company" to the Pacific Oil and Gas Company, a corporation headed by Fresno men, has today been read into the record in the libel suit brought by the mayor against the San Diego Sun.

The mayor announced that he proposed to turn over all the "net assets" of his company to the North-easters. These, the contract states, include \$50,000 in cash, oil leases in San Diego and Riverside counties, and in Texas, and equipment in San Diego county.

The jazz cat affair attracted considerable interest in the West, being advertised in a dozen states by the mayor. He testified that more than \$200,000 was received in response to these addresses.

The case is still under way today.

### WILSON'S TURK NOTE IS SENT TO ALLIES

WASHINGTON, Mar. 25.—President Wilson's view on what he considers a just settlement of the Turkish question have been dispatched in a note to the Allies, it was announced today at the state department.

### FINDS LOVE LETTERS IN CHAIR CUSHION

LOS ANGELES, Mar. 25.—For ten years Uri Metcalf wondered what caused a rustling sound every time he sat in his favorite chair. In his divorce suit Metcalf says he investigated and found love letters addressed to his wife inside the cushion.

### STUDENTS TO FIGHT PRICE OF CLOTHING

PALOUSE, Wash., Mar. 25.—High school students here have banned white shirts and collars, unpatched pants and new suits.

The price of flannel shirts is expected to rise this week.

### TEXAS RANGERS MAY BATTLE TO HOLD OIL LAND

By RALPH P. COUCH (United Press Staff Correspondent)

WASHINGTON, Mar. 25.—Officials and legal experts from Texas and Oklahoma were swarming into Washington today, ready for the supreme court fight to decide which state has a right to possession of thousands of acres of valuable oil lands in the Red River valley.

Meanwhile, according to arrivals from the west, Texas is holding the disputed territory by virtue of the rifles of her rangers and there is danger of an armed clash between factions of the two states.

OKLAHOMA CITY, Okla., Mar. 25.—Additional Texas rangers today reinforced their comrades who have held possession of the disputed Red River territory.

The reinforcements arrived simultaneously with the two new recruits appointed by the Travis county, Texas, district court. It is understood that the receivers will take possession of the entire Red River strip.

### TALE UNFINISHED AS BURNS HUNTS TICKER

WASHINGTON, Mar. 25.—William J. Burns dropped into the capitol the other day and got himself a job of detecting to do.

Sensor Harry New of Indiana had a gold watch. It wasn't much of a watch any more as a time keeper, but New valued it as an heirloom.

Some dastardly thief up and stole it. "I'll get it back for you and it won't cost you a cent," said Burns when New told him about it.

The rest of this thrilling detective yarn will appear as soon as Burns finds the time for New.

### THREAT TO MURDER SENATOR FALL BARED

LOS ANGELES, Mar. 25.—It became known today that Senator Albert B. Fall, head of the senate committee investigating Mexican affairs was under special guard during the last three days of the committee's recent visit to Los Angeles, following the receipt of a letter threatening his life. The letter was written in Spanish and informed the senator that he was "no longer persona grata in Los Angeles."

Federal authorities are endeavoring to find the man who wrote the letter. The senate committee left here a few days ago.

### CHILD THEFT ASKS WILSON TO REVEAL STAND ON 3RD TERM

#### Thousands In Kentucky and Ohio Seek for Men Who Stole Child, 12

LEXINGTON, Ky., Mar. 25.—Thousands of police officials in all parts of Kentucky and Ohio were engaged in a hunt today for Paul Little, 12 year old son of E. R. Little, wealthy live stock raiser and turkman, kidnapped late yesterday.

Threats to kill the boy unless Little leaves \$25,000 at a designated place by a certain time was contained in a note delivered at the Little home several hours after the boy disappeared.

The note said the writer was an enemy of the boy's father and "I intend to pull your heat out of your house or your money out of your pocket."

Three school companions of the Little child said they were walking home with him yesterday afternoon when approached by a man who asked Paul to meet him at the postoffice at 4:30 p. m. to deliver a package for him.

At 4 p. m., they said, the stranger again interrupted their play to ask Paul to deliver the package and Paul and the man walked toward the postoffice. That was the last seen of the child.

Little said he is without enemies so far as he knows and the only description or clue officials have is the story told by the boy's three companions.

Little announced today he would pay the \$25,000 demanded whenever the kidnappers specified the place and time of payment.

### MINERS' WAGE BOOST MEANS HUGE INCREASE OPERATORS DECLARE

CHICAGO, Mar. 25.—Increased prices of coal will cost the American public more than \$100,000,000 annually when government control of fuel prices ceases April 1, coal operators here predicted today. The jump in prices April 1, according to the operators, will be caused by increased wages now being paid miners and to make up further increases to be granted them.

### PNEUMONIA ATTACK HITS CALVIN GILMER

SAN FRANCISCO, Mar. 25.—The condition of Calvin Gilmer was considered very serious today. He contracted pneumonia following a remarkable operation in which a wound in his heart was sewed up with three stitches of cat-gut.

Gilmer has a chance to live, doctors said, but the worst is yet to come. He shot himself through the heart after he had failed to reconcile his wife, who had divorced him.

### U. C. PRIZE COW IS AWAITED ON CAMPUS

BERKELEY, Cal., Mar. 25.—Molly is due to arrive on the University of California campus today.

Molly is the pride of the University Farm School's dairy herd, and is scheduled to complete her race against time late this afternoon.

The race resulted from a bet between Harvey Kilburn and Everett Vawter, agricultural students, that a cow could not cover the distance between Davis and Berkeley in four days.

Accompanied by a chaperone, Molly left Davis Monday.

### S. F. BAY DRAGGED IN AUTO MYSTERY

SAN FRANCISCO, Mar. 25.—Police are dragging the bay off Pier 42 in an effort to solve the mystery surrounding the discovery of an automobile in the bay early today.

The machine, a Pope Hartford, was apparently in good condition and bore license number 177,270, which was issued to A. C. Whitten, 840 West Adams street, Los Angeles.

### Chinese In Wrath As Yanks At British Behest Slay Coolies

By HENRY W. KINNEY (United Press Staff Correspondent)

TOKIO, March 17.—(Delayed)—American marines which landed at Kiuikiang at the request of the British consul killed two Chinese coolies. They later withdrew at the request of the local authorities.

The British consul asked the marines to land to quell a fight between Chinese policemen and coolies, according to dispatches received here.

The feeling against Americans and Europeans as a result of the incident is said to be intense.

Kiuikiang is a town of China in the province of Kiangsi, on the Yang Tsekiang about 130 miles southeast of Hankow. It is a treaty port and has a foreign settlement. Its population was recently given at about 62,000.

### GUSTAV BAUER HEADS NEW TEUTON CABINET SAYS BERLIN REPORT

LONDON, Mar. 25.—The new German government was completed last night, according to a Berlin dispatch to the Amsterdam Telegraph.

The dispatch named the new cabinet as follows: Chancellor—Gustav Bauer. Justice—Eugen Schiffer. Foreign Affairs—Hermann Muel-

ler. Interior—Erich Koch. Defense—Dr. Gessler. Finance—Otto Cuno. Transport—Dr. Bell. Treasury—Dr. Bols. Labor—Herr Schleierke. Economics—Robert Schmidt. Reconstruction—Dr. Silber-

Schmidt. Without portfolio—Dr. Edouard David.

Cun, Bel and Bols are 'Centrists'. The others are Social Democrats. The Independent Socialists, the dispatch said are not represented.

### REPUBLICANS OPEN PEACE RESOLUTION CONTEST IN HOUSE

WASHINGTON, Mar. 25.—Work of framing a resolution of peace was started today by the Republican members of the House Foreign Affairs Committee in accordance with informal instructions given by a conference of Republican leaders of the House last night.

The present agreement to end the war officially may be passed on by the House first.

### MINE WAGE PARLEY CONTINUES IN N. Y.

NEW YORK, March 25.—Questions of wages and working conditions were again taken up by the sub committee of anthracite miners and operators meeting here today.

The present agreement expires March 31.

Representatives of the miners announced there would be no suspension of work in the anthracite regions April 1, pending settlement of the mine workers' demands.

The operators have agreed to the demand of the men that any pay increases granted be made retroactive to that date.

### 2 DIE IN HETCH-HETCHY BLAST

GROVELAND, Cal., March 25.—Two men were killed and several others injured by an explosion of dynamite in the Hetch-Hetchy tunnel near here today. The men, Martin Brett and Joseph Novak, were preparing a blast which suddenly let loose. Both were badly mutilated.

### HIGH GAS PRICE PROBE O. K.'D.

WASHINGTON, March 25.—An immediate investigation of the high price of gasoline and other oils by the Federal Trade Commission is provided in a resolution favorably reported by the House Judiciary Committee today. Action on the resolution, which was introduced by Representative Dyer of Missouri, is urged to speed up the inquiry in order that Congress may act on the oil situation at this session if necessary. Two powerful combines are in a position to control oil production of the country, Dyer said.

### U. S. STEEL EARNINGS DROP.

NEW YORK, March 25.—Gross earnings of the United States Steel Corporation made public today were \$1,448,557,835.00, the lowest since 1906 and approximately \$300,000,000 less than 1918.

### ALLY BLOW TO CRUSH GERMAN SOVIET LOOMS

#### New Ebert Government Is Formed With Bauer at Head, Is Claim

The Dutch government has confiscated a considerable number of troops along the German border because of heavy fighting between Spartacists and government troops southeast of Wesel, near the Dutch frontier.

LONDON, Mar. 25.—A Berlin dispatch received today said the German government has concluded a 24-hour truce with the Westphalian Communists. The truce, according to the dispatch, was renewable at the end of each day but could be terminated on one day's notice.

PARIS, March 25.—With representatives of the government of President Ebert and the West German insurgents having reached a final agreement, according to advices reaching here from Mayence, Germany, today, Allied military intervention in the Ruhr district of Germany will follow if troops of the German government are unable to restore order there, it was learned here today.

Meanwhile, it was reported from Berlin that the new German government had been completed, with Gustav Bauer heading the cabinet as chancellor.

A dispatch from Westphalia, quoting leaders of the German "Red" forces there, confirmed reports of the capture of Wesel, northwest of Essen, which was besieged by the Soviet army for several days.

Truce Spurned, Report

The Westphalian dispatch said that the "Reds" refused the government's offer of an armistice.

Fighting continued all day yesterday, the "Red" communists said. "Red" armies captured Friederichsfeld. Other forces have reached the river Lippe, about 20 miles north of Essen.

Communists were in complete control of the "Red" armies, the communists concluded. It has been reported that Wesel was held by 6000 Reichswehr troops, supporting the government of President Ebert. The

### As Dead as the Dodo

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist.

### Take "Dodson's Liver Tone" Instead!

Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults.

Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

You Can Stop That Cough

Do not imagine that because you have tried various remedies without any permanent benefit that your cough is incurable. Bear in mind that Chamberlain's Cough Remedy has cured others, lots of them, why not you. Read what Mrs. J. L. Jones, New Kensington, Pa., says of this remedy: "About a year ago I contracted a severe cold that settled on my lungs and caused a terrible dry, hacking cough that alarmed as well as annoyed me. Upon the advice of a druggist I bought a bottle of Chamberlain's Cough Remedy and it relieved me almost immediately."

We make them right—Pate Shells, Cheese Straws, Cocomar and Almond Macaroons. DRAGON.

## COMES TO S. A. ON VISIT BUYS HOUSE ON MAIN

Coming here three weeks ago on a visit to his brother, Chas. Blanchard today is counted among the permanent residents of Santa Ana. He has not settled in the city yet but he has bought a home and next week he and Mrs. Blanchard will return to Springfield, Mass., to close up their affairs there, preparatory to moving to Santa Ana. He is a brother of Albert J. Blanchard, who took over the Model Laundry here about two years ago. The visitor has been financially identified with his brother in the enterprise and upon his return will take an active part in the business.

The home bought is that of L. A. Galloway at 1421 N. Main street, which is a six-room residence in a choice location. Galloway will be in possession the first of June, Blanchard expecting to be back here by that time.

Blanchard holds the responsible position of general agent of the Northwestern Life Insurance Company in his home district and is resigning this to permit of his removal to Santa Ana.

Mr. and Mrs. Blanchard have three children, a daughter and two sons, all married, the son-in-law being in a bank there. Upon their return they will not be accompanied by the other members of the family and the ties of the home city and with the other members of the family will be broken, in order that the parents might come to Santa Ana to bask in the sunshine and enjoy living as it is lived here.

"I have visited in Santa Ana two or three times and have always been impressed with the city," declared Blanchard, "but I had no intention of locating when I came here three weeks ago."

"The fact of my brother's residence here and the wonderful congenial climate and cordiality of the people, together with the production and prosperity of this city and vicinity have been factors in determining me to break away from my former surroundings and associates and cast my lot with the people of this community."

"In my opinion, Santa Ana has a great future before her and I am coming here to add my little to hastening the increase in population and the advancement of the city."

"I want to say in passing, that the Register is one of the best and most metropolitan newspapers I have ever seen in communities of the size of Santa Ana and it surpasses papers published even in communities several times larger than this. It is doing a great missionary work and is one of the important factors in advancing the development of the city."

## FIRES HOT SHOT AT SOCIETY IN SERMON

"Move not the ancient landmarks that the fathers have set," was the warning for the discourse of Dr. H. W. Bromley in the revival service last night at the Spurgeon Memorial church, and making an application of this biblical injunction to the Christian religion, he said that the Christian religion was the natural one, and its adaptability to the race had been proven by its effect upon the race; that it never was opposed by high-class men, and that men who have opposed the Christian religion never set up one of their own.

Speaking then of certain cults, he said that the doctrine that leaves Jesus out was not a religion; that the Christian religion could do all other so-called religions could do, and infinitely more, it could save men from their wickedness here and assure them a life everlasting.

The speaker said that miracles were performed today just as truly as they ever were; that the power that transformed the drunkard in the gutter and gave him a clean heart could only come through Jesus Christ, and when this was done a miracle was performed.

Dr. Bromley scored the church for its yielding to the ways of society, and said if church members made a practice of dancing, playing cards and neglecting the church by going to Sunday night picture shows, then God would leave it. He said that during and since the war business men of the country have forgotten God, and that an unfair advantage by profiteering is the result. Speaking of certain kinds of society, he said that when a church member gets bitten by the society bug, he is in mighty bad shape. He said society was to blame largely for the opposition to the prohibition of the liquor business.

He then plead for a return of the old-time religion, and at the close there were a number of conversions. Meetings are held every afternoon at 2 and in the evening at 7:15 o'clock.

## FINE CLUB HOUSE FOR ELSINORE'S LEGION OF HONOR

ELSINORE, Mar. 25.—The City of Elsinore has decided to the local American Legion Post a beautiful site in one corner of the City Park for the erection of a Legioners' Club House, \$10,000 having been raised by popular subscription to meet the actual building expenditures.

The new club house will be an imposing edifice built of tile, manufactured at the local tile plants at Alhambra, and will follow the old Spanish type of architecture. Large verandas in the form of mission corridors will surround the entire building, furnishing shade, comfort and rest to the endless stream of travelers who daily stop in Elsinore en route to and from Los Angeles on the inland route to San Diego, which boulevard the club house will face.

Due to the present unprecedented building activities in the Elsinore district, the services of skilled mechanics in the building trades are difficult to procure, and for this reason it has been decided that the Legioners, who represent all lines of buildings trades, will do much of the work themselves.

## CUNNING'S LECTURES ARE OF MUCH INTEREST

James Sleeper, county assessor, and J. A. Cranston, city school superintendent, are probably two of the happiest men in the county seat today, the former because he has been assured that he will be an old magnate and the latter because he was selected by a pretty girl as the handsomest man in the big audience which gathered at the Temple theater last night to see and hear "Cunning," who showed many tricks that he said are used by Spiritualists and fortune-telling mediums. He explained "just how it's all done to beat the gullible, dear people out of their hard-earned dollars."

Cunning's most scathing denunciation was of the ouija board, which is just now securing much attention. Cunningham's visit here and his lectures given every evening at the Temple have proven of great interest. He says that he designed his talks to open the eyes of folk "inclined to believe in spiritualistic mediums to tell their fortunes or to get messages from their dead loved ones."

Entertainment features were included in the man's performances.

## AUTO RACERS SCORCH BOWL IN TRIAL LAPS

The Beverly Hills racing bowl is reported to be still scorching today as the result of laps run yesterday by Jimmy Murphy, winner of the recent 250-mile automobile classic, Tommy Milton and Eddie Pullen. Murphy and Milton each sent their machines around the bowl in 39 seconds flat, or at a rate of speed of approximately 116 miles per hour. Pullen put his car through the paces at 39.40 seconds, which is a full second faster than he has been able to get out of his machine before.

The 40-second mark has been shaded several times during the last week and rail birds are looking for some unusual speed in the three 50-mile races to be run next Sunday afternoon.

## IRVINE FARMER WILL VISIT IN BELGIUM

A. J. Callens, of the Irvine Ranch, today is making preparation for the departure of himself and wife and oldest daughter for Belgium and France. They will leave here tomorrow morning and will embark at New York for Antwerp, on April 3.

It has been thirteen years since Callens visited his native country and ten years since his wife was there. They are going back to visit the devastated country and to visit their relatives.

The father and two brothers of Callens live in Belgium, the home town being Kortrijk. Mrs. Callens' old home town is Thiel, which was in the battle area.

They will also visit in Paris, where Callens has a number of relatives. They will be absent about three months and will visit various places that have historic association with the world war.

Both lost many relatives in the war.

R. J. Callens, one of the three brothers living in Southern California yesterday filed in Los Angeles a petition for naturalization. He came in March, 1887.

## \$8 HAT BURNED WHEN STAGE CATCHES FIRE

ANAHEIM, Mar. 25.—When one of the Crown stages running between Pomona and Long Beach caught fire as the gas tank was being filled, the driver lost an eight dollar Stetson hat, which was knocked off in the rush, burned and otherwise rendered useless. Other damage included burning of the stage top, upholstery, and the floor boards under the driver's seat. There were six passengers in the car, but they received not a scratch, and were taken to their destination in a Ford requisitioned for the occasion. The fire occurred at the Harry Allen oil station at corner of Lincoln avenue and Garden Grove road, West Anaheim, where the gas tank was being filled. The gas overflowed and in some manner caught fire, although the engine had been shut off. Hand fire extinguishers were tried on the blaze without much effect, and the fire was finally squelched by bystanders who threw mud and water on the burning car.

## ARE EXPECTING REVOLUTION IN FEW MONTHS

That Mexicans on the west coast of Mexico are prophesying that there will be another revolution in Mexico this summer is declared in a letter just received from C. E. Utt, of Tustin, who is on a trip across Mexico.

The letter was written at Mazatlan and bears the date of March 19. Utt had hoped to write more at length before Mazatlan, but was unable to do so for lack of time.

"I am bubbling over with things I would like to say if I had the time," writes Utt. "I have had a fine time. We sail for the South tonight."

"Business men say that things are very dull here now."

"Mexicans on this coast are prophesying a revolution this summer, but I don't believe they can pull it off for lack of ammunition. Unless the army should either start the revolution or join it, I do not think it will amount to much. It is difficult to see how things can continue in the wretched condition in which they are indefinitely."

Caranza is very unpopular, but seems to have the army in better condition than ever, but almost anything can happen in Mexico."

## National C. E. Leader Urges Alumni Fellowship Be Organized in County

### ENDEAVOR UNION HEARS TALK BY DR. WM. SHAW

Following a review of the tremendous scope of Christian Endeavor work the world over, Dr. William Shaw of Boston, for years international field secretary of the Christian Endeavor, urged men and women of Orange county who formerly were in C. E. work to organize an Alumni Fellowship for the purpose of encouraging the young people in their work as Endeavorers.

"I hope that when you hold your rally on April 6 that steps will be taken for securing this organization," declared Dr. Shaw at the rally, held at the First Presbyterian church. "The young people should carry on the work of the Christian Endeavor Societies. They need the training. They also need the help and encouragement of those who have gone through the training. This Alumni Fellowship holds the place of the crowd that sits on the bleachers and by cheering urges the team on to victory."

Goal is 25,000. "There are already 8,000 people enlisted in this new department, and we are expecting the number to reach 25,000 within a few months."

Dr. Shaw was relieved of the secretaryship last January. Since then he has been upon a tour of the country in which his addresses will total forty. His address here last night was his nineteenth. Preceding his address a song service was led by Miss Meda Daniels and devotionals by the county president, Miss Mabel McFadden.

"One of our leaders very aptly said that the Christian Endeavor was born, not made," said Dr. Shaw. "And that is very true. It has grown to great proportions, and is still growing. It has spread from the haystack in Portland, Me., where a few devout souls started it, until it has reached the farthestmost corners of the earth."

Dr. Shaw told three examples of world work and devotion brought about by the Christian Endeavor. One was the martyrdom of a Chinese, who, during the Boxer trouble, suffered death rather than deny Christ.

Work in Africa. Another was the devotion of the scores of Boer prisoners who organized C. E. societies while on St. Helena island. The Spirit came, and 150 consecrated themselves to missionary work in Africa, and a wonderful work has been done by them.

Another was from the islands of the South Pacific, where among converted natives a society was organized. In sending for emblems they asked that rings be sent as the pins hurt them when they put them on.

"I bring greetings from the old-time Endeavorers to the new," said Dr. Shaw. "The message is a challenge to you to enter God's service in missionary work. Christ's work calls for the best minds and best hearts, for loyalty and devotion. Be born with Christ, and go forward with this great organization, which has societies in more than eighty denominations and in more than eighty nations."

### County Union Plans Great Rally on Tuesday, April 6

One of the greatest rallies to be held by the Christian Endeavorers of Orange county this year is scheduled for the evening of Tuesday, April 6. On that day two Christian Endeavor leaders, Clarence Hamilton, field manager of the Christian Endeavor World, and Clarence H. Sprague, field secretary for the California C. E., are to be in Santa Ana to lead a county rally.

Arrangements have been made for a banquet and evening meeting, to be held at the First Baptist church of Santa Ana. Hamilton is to be the speaker following the banquet, and Sprague is to address the meeting in the auditorium of the church at 7:30 o'clock.

This rally is for all of the C. E. Societies in the county. There are to be 150 seats at the banquet, and tickets for these seats are to be distributed to the various C. E. societies of the county, Miss Mabel McFadden, county president, has charge of the distribution, and she has asked the various societies to make their requisitions for tickets at once.

### WOMAN NAMED AIDE IN JEWISH AID DRIVE

Women of Fullerton today are flocking to the assistance of Miss Susane Deane of that city, who has been chosen to direct the campaign in that city and vicinity in the Jewish Relief Drive. Miss Deane is to be held responsible for putting that city "over the top" in the campaign of next week, and members of her sex are proud of the compliment paid them by City Chairman E. S. Gregory in the selection of Miss Deane.

The women will vie with the men in showing the best results in the drive, and it is expected that Fullerton will be one of the first communities to report its quota. Miss Deane is a public speaker and her talent in this respect and her energy and enthusiasm spell success for the campaign.

At a meeting to be held at Fullerton tomorrow evening organization for the conduct of the drive will be completed.

Dr. C. E. Kellogg and county manager F. A. Shaw have been active the past week in working out organizations in the different districts and have been successful in securing the co-operation of live wires in those communities where organization has been perfected.

Garden Grove has a special committee of twelve citizens, with Sam Horowitz and Rev. Francis as leaders.

**Anaheim Live Wires**  
Anaheim has an executive committee of live wires, and that city will be ready for the jump-off and will work with a vim to land that city in the lead in making the first report of "over the top." The executive committee is composed of N. E. Beebe, chairman; Wm. Falkenstein, vice-chairman; J. H. Whitaker, secretary; Herman Stern, campaign manager; W. A. Dolan, treasurer; J. A. Claves, chairman speakers' bureau; J. F. Ahlborn, chairman publicity; Rev. C. B. Hatch, representative of the Ministerial Union; Father Browne, representing the Catholic church; Mrs. I. O. Henderson, representative of Women's Clubs. The Anaheim National Bank is depository for the funds and also as headquarters for the drive.

"One of the exceptional things which has occurred during the campaign to date is the action of the Ministerial Union and churches voting in a special meeting to suspend all other matters which might divert attention and influence from the drive until after the campaign has been completed," said County Chairman Kellogg today.

**Orange Meeting Sunday Night**  
County Manager Shaw states that in all his experience in campaigning he has never found such intense interest on the part of all citizens and the splendid co-operation of the Catholic clergy and communities as he found in Orange county. The Episcopal churches have received special communications from Bishop Johnson requested every church and its communicants to assist in the work.

Orange is coming strong in active co-operation in the campaign. A banquet meeting was held there on Tuesday evening, with Earle W. Hodges, director of the campaign in the western division, as the guest of honor and speaker.

Dr. Kellogg and the executive committee of Orange have decided to hold a mass meeting at Orange next Sunday evening, the meeting to be held in the largest auditorium there. Hodges will be asked again to sacrifice time and personal convenience by coming down from Los Angeles. It is proposed to make the meeting a union of all the church interests.

The Southern California campaign starts next Sunday and continues for one week.

**Takes Cold Easily**  
"I take cold easily and during the winter always keep a bottle of Chamberlain's Cough Remedy in the house. It is the best medicine for colds and coughs I ever used," writes Mrs. S. E. Kinnan, Roseville, Ohio. When you have a cough or cold give this remedy a trial. You are certain to be pleased with the relief which it affords.

### EASTER SUNRISE SERVICES ARE TO BE HELD

The young people's societies of Santa Ana, Orange, Tustin, Garden Grove and other communities in this part of the county are to unite in a great Easter morning service upon a hilltop at Lemon Heights.

Arrangements for the services are being made by Christian Endeavor societies and the Epworth League organizations.

In point of preparation, program and attendance the services this year will be the greatest Easter morning services ever held under the auspices of local organizations.

Committees of the young people's societies are making arrangements for special music. The greetings of praise and song are to be planned with special reference to the occasion. Rev. A. T. O'Rear, pastor of the South Methodist church, is to deliver an address.

The hour fixed for the services is 6:30 o'clock. Miss Mabel McFadden, who is one of the most active committees in making arrangements for the services, said this morning that the exact location for the ceremonies has not yet been settled upon. However, ample notice of its location will be given in the newspapers, and roads leading to it will be posted.

### PORTIONS MAIN STREET BASE SERVICEABLE

In the opinion of members of the city council today, property owners on North Main street will be saved many dollars in the repaving of that street as a result of investigation made by the board Tuesday morning. The base of the pavement was found in many places to be much better than it was thought possible and in view of this, it is quite probable that the council will take action looking to the resurfacing only on such portions of the street.

The members made a minute inspection of the pavement at various points along the street and from the investigation have satisfied themselves that a great deal of the base can be utilized.

It is intended to order the street resurfaced from First street to the city limits in order to put the street in first-class condition.

Investigation on First street disclosed that the base on all the street between the P. E. tracks and those of the Southern Pacific is in very bad condition and will have to be replaced. Between the P. E. tracks and Main street the base is in better shape and most all of it can be utilized in resurfacing. Resurfacing will be necessary on all that portion of the street where a new base will not be necessary, it is believed.

### VOTE UPON SCHOOL TRUSTEES TOMORROW

Tomorrow, March 26, is the date set for the annual school trustee election, with every district outside of Santa Ana balloting, a total of 52 districts in which the vote will take place. In general, the election promises to be a quiet affair, with little interest taken in most districts, and many of the retiring board members will be re-elected without opposition or will hold over simply for the reason that no ballots are cast. In other districts, however, notably at Fullerton and Orange, contests are scheduled and voting will be more lively in those places. All grammar school and high school districts are to elect one trustee, with the exception of consolidated districts such as Harper-Fairview and Richfield-Yorba, where a complete board of five members is to be chosen.

We make them right—Pate Shells, Cheese Straws, Cocoanut and Almond Macaroons. DRAGON.

Santa Ana, Like Every City and Town in the Union, Receives Its People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Ask your neighbor! Here is Santa Ana evidence of their merit:

Mrs. E. C. Towner, 1020 N. Van Ness St., Santa Ana, says: "I had attacks of bladder trouble that caused me to suffer a great deal. I became run down and languid. My kidneys acted irregularly, too, causing me a great deal of trouble. I doctored, but nothing seemed to help me until I tried Doan's Kidney Pills. Two boxes of Doan's cured me of all signs of the trouble. This was three years ago and I have had no return of the complaint." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—same as Mrs. Towner had. Foster-McBurn Co., Mfrs., Buffalo, N. Y.

### BELIEVES JAPAN NOT SEEKING U. S. WAR

That there is no strong spirit in Japan for war with the United States, that China has awakened and is on the verge of great development, that there is bitter feeling in China and Korea against Japan, that Japanese aggression has crystallized Chinese loyalty and national life—these are but a few of the points of great interest discussed today by Frank H. Burt, president of the Young Men's Christian Association College at Chicago, wherein young men are trained for Y. M. C. A. professional work.

Mr. and Mrs. Burt are spending a couple of days with two of their school-day friends, Mr. and Mrs. John E. Gowen of Spurgeon street. The four were children together in Galva, Ill.

Mr. and Mrs. Burt are on their way home from a six months' trip through the Orient.

"I was not upon an official Y. M. C. A. visit," said Burt, "but nevertheless I saw a great deal of the Y. M. C. A. The Y. M. C. A. means a great deal in the Orient, for over there it is a center for Americans not only resident there but traveling through. In nearly every port a secretary is busy all of his time assisting travelers."

"China's situation is exceedingly interesting. The boycott of Japanese goods has been in existence about a year and it is still running strong. Japanese trade has been harmed materially. Every once in a while something happens to renew the fires of the boycott. The Chinese national spirit has been cemented through the feeling against the Japanese."

"China is just awakening. It is going to develop rapidly and become a great strong nation."

"The feeling against the Japanese is especially strong in Korea."

"China is very favorable to American goods."

Mr. and Mrs. Burt are to leave Los Angeles for Chicago on Saturday.

### ERROR OCCURS IN ONE OF 2 MIL. CHANCES

In getting out a paper like the Register there are, our painstaking statistician tells us, something over two million chances of making a mistake. It is not surprising that a mistake creeps in now and then and when it happens the Register is always glad of an opportunity to make a correction.

Yesterday a mistake was made that was quite an important blunder on someone's part. An advertisement for Goodyear Tires appeared in which the prices were wrong. 30x3½ fabric, all-weather tires were quoted at \$20. 30x½ fabric anti-skids were quoted \$17.65 and Heavy Tourist Tubes 30x3½ were priced at \$3.90. The prices should have been, respectively, \$23.50, \$21.50 and \$4.50. The advertisement which appeared was one that was intended for publication about a year ago when prices were a bit lower. If you had intended buying some of these good tires please bear in mind that the prices which appear in the advertisement today are correct.

There is some feeling in Japan as a result of anti-Japanese agitation in America, but there seems to be no developed sentiment in favor of war with the United States. Of course, the Japanese are going to expand wherever they can, but I think that their program is to do that rather through diplomacy and co-operation than by war with the United States."

Mr. and Mrs. Burt are to leave Los Angeles for Chicago on Saturday.

### ALLY BLOW ON 'RED' ARMIES IS LOOMING

(Continued from page one)

attaching "Reds" were said to number more than 20,000.

More than 175 persons were killed in fighting between Communist workmen's forces and German government troops in the Thuringia district near Gotha, a dispatch here today said.

One "Red" army was said to have Communist chiefs escaped.

As to Intervention  
Regarding the possibility of Allied intervention, it was said here that if the Ebert emissaries are unable to negotiate peace in the present parlays, the Allies will grant full permission to send as many troops into the Ruhr district as President Ebert wishes. If the maximum armed forces available to the Central government cannot restore order then the Allied forces will take charge of the situation.

Under the terms of the peace treaty the German government is not allowed to have armed forces in the Westphalian industrial district. Two German officers, sent from Berlin, were understood to have presented the case of the Ebert government, pointing out that Germany's hands are tied unless the Allies agree to allow German military forces in the troubled areas.

According to several French experts who have gone to the Rhine to follow developments in the Communist uprising, Germany is faced with a critical situation unless she succeeds in quelling the "Reds" immediately. The district now under control of Communists contains Germany's only pledged coal supply—and upon the output of these Ruhr mines the nation's industrial life depends.

Henry Bideau, French economic expert, in a telegram today said the Ebert government was concentrating Reichswehr in the Wuertemberg district on the one side and from South Germany on the other, apparently to start a double offensive against the workmen should the peaceful negotiations fail.

Regarding the Mayence report as to the final agreement reached between the Ebert government and the

West German insurgents, the advisers said the terms of this pact were as follows:

The government agrees to formation of a workmen's army charged with maintaining order throughout the west German industrial district. Syndicalists shall be allowed to participate in the reorganization of the Central government.

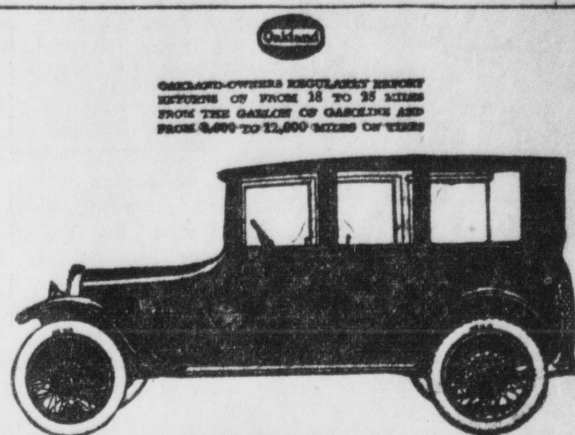

All participants in the recent coup d'etat in Berlin shall be disarmed. The government shall inaugurate

social and administrative forms demanded by the workers, including socialization of mines, especially in the coal and potash producing districts.

All counter-revolutionary organizations shall be disbanded.

The government agrees to furnish adequate food supplies in the industrial areas.

Hand Made Globe Tires Wear Longer and Cost Less In the End. We Sell Them. 5th and Broadway Phone 1406

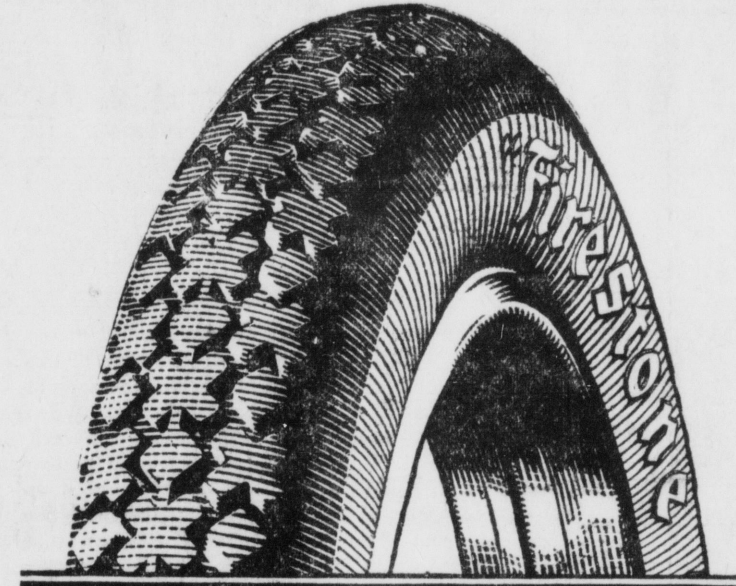

The Firestone Cord, announced last year as first of the new standard over-size, has proven its superiority through the stress of winter driving—and the car owners recognize it.

Go back of this Firestone Cord Tire, and you will arrive at this conclusion—that Firestone does give and will always continue to give most miles per dollar.

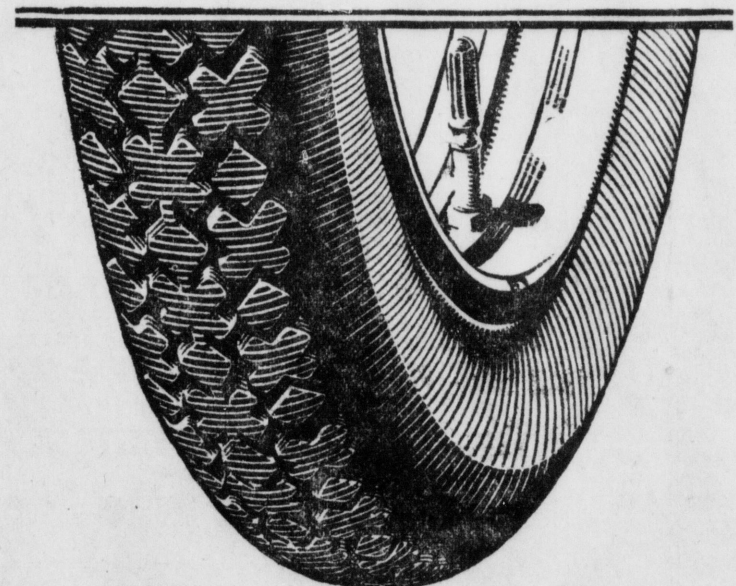

### Firestone Buying Resources

With purchasing headquarters established at Singapore, with expert buyers stationed at all sources of production, Firestone gets first call on the choicest of raw rubber; and Firestone's quantity buying resources create big savings at the source.

Firestone's foresight in establishing sources of supply for cord and fabric, assuring uniform quality and constant delivery, creates still further savings, and these are all turned into more miles for the car owner's money.

**What Most Miles per Dollar Means To 7,000,000 Car Owners**

### Firestone Manufacturing Initiative

This is demonstrated pointedly in this Cord Tire.

It is substantiated by the Firestone worker-stockholder organization—men financially interested in the success of the product their skill turns out. With every incentive to work better and live better, most miles per dollar is a definite pledge.

### Firestone Distribution

With 64 branches established in the principal cities throughout the United States, and with 46,000 dealers everywhere, selling Firestone Tires, Firestone has worked out the efficient and economical distribution system to get tires into the hands of car owners.

Any one of these 46,000 Firestone dealers will supply you with Firestones in your size and type.

Put Firestones on every wheel of your car.

Most miles per dollar is a Firestone pledge, to the light car owner as well as to the owners of big cars. See the \$7,000,000 special molded 3½-inch Firestone.

### Ladies' Aid Meeting.

The North Section of the Ladies' Aid Society of the First Methodist church will meet with Mrs. Ida Conner, 709 East Fifth street, Friday, March 26, at 2:30 p. m. Ladies bring thimbles and help make the afternoon an enjoyable one.

### Reception and Farewell.

Friends of the Richland avenue Methodist church are cordially invited to a reception to be given the new members, and a farewell for Mrs. Goff, who leaves for permanent residence in Minnesota, on Friday evening, March 26, at the bungalow. An interesting program has been arranged for the occasion.

### Entertain Eastern Friends.

Mrs. Clara Voss of Shreveport, Louisiana, and her mother, Mrs. Ruth Thomas of Huron, South Dakota, who are spending the winter in Southern California, have been in Santa Ana for the last week visiting Mr. and Mrs. H. L. Sawdye and Mr. and Mrs. B. E. Burns.

The visitors were entertained at dinner Monday evening at the Sawdye home and last evening Mr. and Mrs. Burns gave a charming six o'clock dinner in their honor. Sweet peas and bachelor buttons were used as decorations.

Covers were laid Mrs. Clara Voss, Mrs. Ruth Thomas, Mrs. Fred Nichols of Long Beach, Mr. and Mrs. W. B. Dennis and daughter, Jean, of Orange, Mr. and Mrs. H. L. Sawdye and children and the hosts, Mr. and Mrs. Burns. All the guests were friends in the east before coming to California.

### Entertain Grand Officers.

The new home of Mrs. Chas. F. Mitchell, 438 South Sycamore street, was the scene of a delightful dinner party at six o'clock last evening at which the grand officers of the Rebekah Assembly were the guests.

Pink sweet peas in a cut glass bowl centered the table where the delicious three-course dinner was served. Dainty place cards, also in pink, marked places for Mrs. Louise Paltenghi of Los Angeles, president of the Rebekah Assembly, Stella Merrick, vice-president; Fannie Clancy, warden; Marie Stienman, chaplain; Ada Madison, past president; Fannie M. Lacy, past president; Sarah Flowers, Mary Pearce, Alice M. Gould, and the hostess and her mother-in-law, Mrs. J. W. Mitchell, who so ably assisted in the serving.

After the dinner, the ladies all went to Odd Fellows' Hall, it being the president's official visit to the Torosa Rebekah lodge.

### Section One Entertains

About forty-five ladies of the different sections of the Women's Union of the Congregational church were entertained yesterday afternoon by Section No. 1 at the home of Mrs. W. D. Barker, 1110 North Spurgeon street. A very entertaining short program was given after which delicious light refreshments were served.

**Friendly Circle Social**  
The Friendly Circle of the First Methodist Church Sunday school will give a social Friday evening at the home of Mr. and Mrs. Klat, 1740 No. Baker street.

### 17th Birthday Celebrated

The Methodist parsonage was the scene of a delightful birthday function last night, when thirty-eight high school students responded to the invitation of Rev. and Mrs. John Oliver to help their eldest son, Wesley, celebrate his seventeenth birthday.

The young folks played games, and sang songs and told of the latest humor in high school activities, and filled the parsonage with fun and frolic and laughter of the most healthful type. It was a very pleasant occasion indeed, as the formality of the gathering soon wore off and all entered into the social festivities with a hearty good-will.

Miss Pauline M. Guthrie and Miss Mary Oliver helped Mrs. Oliver receive. At ten o'clock refreshments of ice-cream and cake were served and the young people dispersed in full appreciation of the evening's entertainment.

Those present were Misses Alice Hell, Mirtle Wilson, Marie McNaught, Marion Hickman, Mayme

## IF YOUR EARS RING WITH HEAD NOISES

If you have roaring, buzzing noises in your ears, are getting hard of hearing and fear Catarrhal Deafness, go to your druggist and get 1 ounce of Earmuffs (double strength) and add to it a pint of hot water, and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal trouble of the ears, is hard of hearing or has head noises should give this preparation a trial.

### Jolly "Black-Face" Program

The Philathea class of the First Christian church will present a program of old Southern songs and dialect readings on Friday evening, March 26, beginning at 7:45 o'clock.

The entire class will be "black-face" and ebony faced ushers will greet the public at the door where a silver offering will be taken. The proceeds of this entertainment will go to help Christianize the natives of Bolenge, Africa, a mission field in which this class is greatly interested.

Those to whom the strains of "Dixie" and the tumbling of the banjo make their appeal, are especially invited to attend and assist this worthy cause. Don't forget the date—Friday evening, 7:45 o'clock at the community house of the First Christian church.

### Mrs. Arms Entertains

Wednesday afternoon, the Daughters of Veterans were entertained at the home of Mrs. Arms on East Fourth street, by the Mayor and the three hostesses being Mrs. Darnell, McKee and Arms.

The parlor was fragrant with sweet peas, while the other rooms were gay with spring flowers.

A guessing contest, with names of automobiles as answers, sharpened the wits, fancy work and violins filled the time till dainty refreshments were served. Each lady received a small chicken to fasten on her dress.

Members attending were Mrs. Leach, Thomas, L. Ward, Adams, Chapman, Liverspire, Parker, Talbott, Leipsic, Quick, La Bounty, Phillips, West, Mize; Misses Grace Grigs, Edith Ward and Ayola Halby. The guests were Mrs. Ewell from Oregon, a sister of Mrs. Arms, and Mrs. Addis of Pomona, a sister of Mrs. Liverspire.

### Daughters of Veterans

The Daughters of Veterans met in regular session last Monday night, chaplain, Marie Stienman, reported. Fannie M. Lacy, past president; Sarah Flowers, Mary Pearce, Alice M. Gould, and the hostess and her mother-in-law, Mrs. J. W. Mitchell, who so ably assisted in the serving.

After the dinner, the ladies all went to Odd Fellows' Hall, it being the president's official visit to the Torosa Rebekah lodge.

## OBITUARY

### IRA W. HARTLEY

Ira W. Hartley was born in Onego, Illinois, October 31, 1846. His parents moved to Baraboo, Wisconsin, when he was but a child, and in this state he grew to manhood.

When the country was in danger through civil war, he enlisted and served in the Union army. He was but a boy when he heard the call of duty, being not more than 16 or 17 years of age when he enlisted.

He never married, but continued to live with his mother until the time of her death, some years ago. He came to California in 1902 and settled at Long Beach, where he continued to live till Friday, March 19, 1920, when death called him.

He was a great lover of home and mother, a dutiful son and brother. He was a neighbor easy to get along with and helpful to those around him.

He was a loyal citizen, his loyalty standing the test of bloody civil war. The investment he made when he enlisted in the Union army was not recalled when he was "mustered out," for he became a "soldier of peace," and stood faithfully by the institutions that have made this country safe and secure.

He leaves two sisters in Santa Ana to mourn his loss, Mrs. Fred Bundy and Mrs. Mary H. Copeland; and a cousin, Miss Myrtle Winchell, of Long Beach.

## MOTHER OF FIVE IS DEAD OF INFLUENZA

Leaving her husband and five little children, Mrs. Lucia D. Obarr, wife of Rev. Richard H. Obarr, died this morning as the result of influenza. Her husband, brother and two children are all ill of influenza at the home, 719 Hickey street.

Overdoing in the care of members of the family after she herself had had influenza brought a relapse and her death.

For some time Rev. Obarr was pastor of the South Methodist churches at Talbert and Greenville. Recently he has been engaged in the insurance business in Santa Ana.

Mrs. Obarr was a member of the choir at the revival being conducted at the Spurgeon Memorial Church. She was deeply interested in the revival, as she was in all of her church work.

# DEBATES TAKEN SANTA ANA SPEAKERS

Yesterday, in defeating Orange Union High School both in Santa Ana and at Orange, two more victories were added to the many debating victories Santa Ana High School speakers have won this year and puts her at the head of the Orange County Debating League, having won four debates with eleven judges out of twelve. Yesterday the score here was 3 to 0, and at Orange the score was also 3 to 0.

The speakers for Santa Ana were Harold Armstrong and William Maier, at Santa Ana, and Don Hillyard and George Baker for the negative at Orange. Orange speakers were George Knight and Virgil Shaw at Santa Ana and Bronson Barber and Relford McGill at Orange.

Santa Ana sent C. A. Gustlin, Miss Nell Marie Remsburg and Mr. Hawkins to judge the Pullerton debate. "Resolved, that the literacy test should be given immigrants," was the question for debate. In Santa Ana, Santa Ana had the affirmative, at Orange the negative.

In Santa Ana, Harold Armstrong was the first speaker on the affirmative for Santa Ana. He stated that the measure would have nothing to do with the annulment of other immigration laws.

"This measure," he said, "would stop the influx of those who spoil democracy."

"The illiterate come here to make money with no intention of making this their home. They do not always become naturalized. If they do, the ignorant vote for money value. The foreigners' habits are different from ours and they talk about their anarchistic views to our people. Europe dumps her undesirables upon our shores. She believes in the survival of the fittest but the fit are kept at home and the unfit come to America."

The first speaker on the negative was George Knight, and he laid stress on the fact that the opportunities in foreign countries are less than those afforded them here, and that many honest, well-meaning people who could learn and become good citizens are not allowed the opportunity to be worth while. "The real character tests should be in physical fitness, ability to earn one's living," he declared.

William Maier, Santa Ana's other defender, protested against having this country used as a dumping ground for European nations. "We welcome the worthy but not the unworthies. To be enlightened by liberty's torch, one must first be able to read the fundamental principles and laws of this country," said he.

Virgil Shaw, of Orange, the second speaker on the negative, produced some very good points and read some articles from leading American magazines.

"That the overflow of illiterates causes crowded conditions in our cities, is not true," said he. "The census proves that the majority of the illiterate foreigners live on farms to avoid congestion of the city."

# SUNRISE SERVICE AT PASADENA PLANNED

LOS ANGELES, Mar. 25.—The clergy of Southern California has received with marked enthusiasm the plan of the Los Angeles Symphony Orchestra board of directors for a free open-air sunrise service on the lawn of the Huntington Hotel, Pasadena, Easter morning.

It has long been a cherished wish of local pastors that a service similar to the one held on the summit of Mount Rubidoux, near Riverside, might be inaugurated with an elaborate musical program. The directors of the orchestra have completed arrangements for what promises to be the most impressive Easter service ever held in the west.

Under the direction of Adolph Tandler the Symphony Orchestra will open the service at 5:30 a. m. Easter Sunday, the official time of sunrise. An elaborate program of appropriate works by the great composers will be rendered.

Tandler has composed a special Easter Concert number which will be blazoned forth from center tower of the hotel, by a horn quartet, the instant that the sun appears above the horizon.

Two soloists will feature the program. Mme. Ana Ruzena Sprotte, contralto, and Juan de la Cruz, baritone, are the soloists who have been selected.

The concert and service will be free to all. Arrangements have been made to accommodate the many thousands of motorists who will attend this service. The spacious lawn of the Huntington Hotel will accommodate a huge throng. The acoustics of the place have been tested and found to be practically perfect for the purpose.

In the event of rain this program will be postponed to a future date that will be announced through the press.

# TRIBUTE PAID TO MEMORY IDOL OF MEXICO

The exercises given at the Grand Opera House in commemoration of Lie. Benito Juarez, lovingly called by his countrymen the "Lincoln of Mexico," attracted a number of Mexicans and Americans, who enjoyed the excellent program rendered under the auspices of the Pro Patri Club.

Prof. Cranston, in his address, compared the lives of Lincoln and Juarez, pointing out the similarities. Like Lincoln, Juarez could not read nor write until he was past twelve years of age, and, like Lincoln, he struggled hard for an education. In the prime of his life he was recognized by the United States as only a national statesman can be recognized.

Rev. Mendoza paid tribute to the beloved statesman and he was interrupted many times by applause, when he pronounced strong eulogistic remarks on Juarez.

The net financial receipts of the entertainment amounted to \$39.11 and voluntary contributions by A. J. Visel, Dr. Eymann Huff, Dr. C. D. Ball, Mrs. Mary N. Burlew, Mrs. Helen A. Ash and Mrs. Clara R. Cushman made a neat little sum that will be sent for relief of earthquake sufferers in Mexico.

The program opened by the Mexican troubadours, Mrs. V. Bastien and Prof. Robles, in costume, and their offerings were well received.

The Goddess of Liberty, draped in a beautiful American flag, assisted by a chorus of forty children, the Mexican pupils of Miss Frothingham, artistically and dramatically presented the Star Spangled Banner, and brought the audience to its feet.

Prof. Merino, tenor, sang the "Romance," from the opera, "Aida," by Verdi, assisted by that most able pianist, Dr. Daniel Luevano, in an artistic manner.

The Junior College girls did themselves proud as well as the country they represented by a typical Spanish dance, under the person direction of Miss Henry, physical director at the high school.

Mrs. Perkins, principal of the Santa Fe Mexican school, assisted by Mrs. Abbey, presented a number of the school girls in an Indian song and dance, which were well executed.

Fourteen little flower girls, under the supervision of Minnie J. Fry, were cute and clever in their dance. Colored lights and the dainty colors in their dresses added to the charm of the number.

The program was concluded by the Mexican anthem.

The committee in charge is appreciative of the co-operation and assistance in the entertainment given by their American friends.

# E. 4TH REPAVING IS COMMENCED BY FINLEY

Repaving of Fourth street east from French to the Santa Fe tracks today is underway—underway to the extent of tearing up the old pavement in the block between French and Mortimer.

J. H. Ross, Steele Finley's superintendent of paving operations is on the job today with eight men at work. The pavement has been down for about eighteen years, being a four-inch base of asphalt and gravel and two-inch asphalt surface.

The condition of the pavement is better in this block than on any portion of the remainder of the street which is to be repaved. There is no life to the material and it crumbles easily as it is picked out in chunks from the main layer. In the opinion of Ross it will not be necessary to run the material through a crusher in order to make it available for placing on other streets. He believes the breaking up process can be done while it is being taken up, loaded and unloaded from wagons.

# BEACH WOMANS' CLUB ENTERTAINS FRIDAY

HUNTINGTON BEACH, Mar. 25.—Preparing for the largest crowd that has ever attended an entertainment in this city, the ladies of the Woman's Club having the entertainment Friday evening, March 26th, in charge, are working night and day to bring their plans to fruition.

The feature of the evening will be the play, "Cupid In Khaki." A dress rehearsal was staged Wednesday night and the management is greatly gratified with the exceptionally fine talent.

Besides the home talent there will be some of the best that Los Angeles can furnish.

The largest auditorium in the city, at the grammar school, has been secured to accommodate the crowds who are expected to take advantage of this opportunity to attend a show worth twice the small admission fee. The big show starts at 8 p. m.

# AUTO PARK CONCESSION IS SOLD BY MRS. TALBOT

Sale of the candy and confectionery concession at the Central Auto Park, corner Third and Bush streets, was announced today by Mrs. C. I. Talbot, who opened and has been conducting the place for several months past. The purchasers are Mr. and Mrs. Harry Evans, who live at 840 North Birch street.

The Auto Park's business has grown to such proportions that more help is needed and Mrs. Talbot will assist her husband in the conduct of the park, occupying a new office which is being built near the entrance.

# OIL IS FOUND IN NEWPORT MESA WELL

Oil men at Newport are awaiting with considerable interest the resuming of drilling operations at Interstate well No. 1, which was cemented in at 2405 feet for the third time a few weeks ago. Operations have been suspended since that time to give the cement a chance to set.

It is said that an oil sand has been struck at 2405 feet, and that a good showing of light oil was made. In the first two cementing jobs ton after ton of cement was poured into the hole, but because of the heavy flow of water the cement could not set. In the third attempt to stop the water, heavy mud and cement were used. Mud was first poured into the hole to give the cement a solid body to set against, and it is believed this has been successful.

It is expected the company will begin drilling through the cement in a few days. The well is to the west of the county road, just beyond Harper.

Reports from the Coalings-Mohawk Company well at the Fallsades is to the effect that an oil shale has been struck at 300 feet. This is the first time in the history of the Newport field that shale has been struck at that depth. It is believed that the finding of shale at this depth is due to an eruption.

It was learned today that the Liberty Oil Company, operating east of Harper, is drawing the casing from one of its wells, indicating that the company has decided to give up operations.

# MANY C. E. WORKERS WILL GO TO FRESNO

A good many Orange County Envoys are making plans to attend the annual state convention of the C. E. this year. It is to be held at Fresno June 26 to June 30. Present indications are that there will be no less than 5,000 delegates present from all over the state. An unusually fine program, with great C. E. leaders from all over the country as speakers, is being arranged.

# GUSHER ON STEARNS LEASE AT RICHFIELD

Well No. 1 on the Stearns lease, under operation by the General Petroleum Oil Company, came in as a spouter yesterday morning about 11 o'clock and sanded up shortly after. It is in the Richfield district, about a mile east of the Chapman gasfield. It is near the Thompson lease, in which Tarver Montgomery and Ashby Turner of this city recently became interested.

The derrick was partly wrecked by the spouting oil and sand. A section of the drill pipe was blown out.

# JOHNSON'S BASE RUNNERS FAST, IS CLAIM

By WILLIAM UNMACK  
(Written for Pacific Sports Service)

SAN FRANCISCO, Mar. 25.—No matter what position a man plays on a baseball team he has to be possessed of a fair amount of natural speed of a cinder track star. So it is that the ball fans are just now trying to figure out the fastest base runners on the various teams of the Pacific Coast League teams.

Ernie Johnson of the Salt Lake team is all "het up" over the speed shown by his men, and by Reilly and Magert in particular. These two boys, according to Ernie, are among the fastest on the diamond in the country. The Vernon club has a bunch of fast steppers and when the season opens this club expects to spring some surprises with fast men. The Portland team has George Malsel and Lew Blue as two of its fastest men, while Del Howard of the Oaks, is loud in his praises of the speed now being shown by Billy Lane, Hack Miller, Cooper, and a few others. Clyde Wares of the Seattle team is boasting of the ability of Kopp, recently secured from the Philadelphia team, and also Sam Bohne, the captain of the Seattle team.

The San Francisco Seals are not boasting of any speed burners, but young Eugene Caldera, a bushy, who joins the Seals this week, is said to be particularly shifty on his feet. In the bushes Caldera has shown up to advantage as a pitcher and his acquisition will fill out Charlie Graham's list of southpaws if the lad makes good.

The Pacific Coast League will open its schedule on April 6, and the fans will be able to judge for themselves just how good these speed men are that their managers think so well of. The opening week's schedule shows that Portland plays the week series of April 6 to 11 against the Salt Lake team at Salt Lake. The Seattle team will travel to Sacramento to play the "Senators." The "Seals" will, as usual, open their season on their own grounds at San Francisco against the Vernon team and the Oakland team is scheduled to play its opening game against the "Angels" at Los Angeles.

The Seattle club is having a little trouble with some of its men in the way of sickness, and Clyde Wares, manager of the team, intends that D. E. Bates, the infelder, and Jack Adams, catcher, are both to have their tonsils removed before the first game of the series with Sacramento. The boys have been troubled with their tonsils and this has been traced as the cause of their arm trouble. The Los Angeles team is also suffering with sickness and Art Grigg is laid low at this time with the "flu." It is doubtful if he will be able to take his place on the team for some time. Dick Cox, the Portland boy, who fractured his leg last year, is back on the job and at the present time shows no ill effects of the fracture. He has been hitting the ball hard and is batting in great shape again.

### THREE BUSINESS FIRMS AT BREA CHANGE HANDS

BREA, Mar. 25.—A triple change in Brea business circles consummated the past week is still a hot topic of conversation here, involving the sale of the Brea Pharmacy, the Brea Garage and the Brea Variety store building.

F. E. Smith, who has been conducting the pharmacy for more than three years, sold it to R. W. Harold, who has been in the drug business in Pasadena, and who will take up his residence in Brea within a few days. He will be assisted in the conduct of his new business here by his wife, The Smiths will remain here temporarily, but plan later to move to Los Angeles.

#### Santa Ana Man Buys

Another important sale was that of the Brea Garage, which W. A. Culp sold to Dexter Martin of Fullerton and his father-in-law, E. C. Frambes, of Santa Ana. Martin is a first-class mechanic, Culp, who is president of the chamber of commerce and active in all civic movements, will not leave Brea, but has not yet announced his plans.

The third change of the week was the purchase by J. E. Russell of the building in which the Brea Variety store is located, from K. E. Nethaway. Russell, who recently sold his jewelry store to W. C. Stairs, is a candidate for postmaster here and should be appointed, will probably use his new building for the postoffice. Russell is going to take a vacation for a time, and Nethaway is planning to close out the Variety store and will likely vacate the premises before many weeks.

### BIG VOTING WILL FIGHT NAME LIST WATER IN CHECKED DRILLING

Fullerton, Newport Beach  
Make Gains Over 1918  
Tabulations

Because of the heavy registration in the Orange county cities of the sixth class which hold their municipal elections next month, County Clerk Backs is of the opinion there is either considerable interest in the coming elections or that Orange county has been leaping ahead in population since the close of registration in 1918. Fullerton had 1498 voters, while at the close of registration for the coming election 1749 voters had been signed up.

Newport Beach in 1918 had 438 voters while the registration at the present time is 489.

The registration at Anaheim is lagging behind, there being a difference of almost 50 voters in the number registered in 1918 and the number registered this year. The 1918 total was 1966; the 1920 total to date is 1488.

The Brea figures for 1918 were 390, for the coming election, 315. Huntington Beach had 723 voters in the 1918 general election, but only 482 have registered for the municipal event. Orange is 332 voters short at this time of what it was in 1918 when 2116 were registered; the total this year is 1784.

Seal Beach had 279 voters registered in 1918, while only 182 have registered for 1920. Stanton had 160 voters two years ago, but only 107 have registered this year.

#### STEVE AND McCAIN FORM PARTNERSHIP

Fred Stever has joined C. M. McCain in the real estate business, the two men having formed a partnership, and will continue in the location McCain has occupied since he entered the business.

Stever has been conducting an agency on West Fourth street. Both men are well known and by joining their interests are placing themselves in position to handle a larger clientele and to specialize on certain lines of real estate activity.

McCain has turned several good deals since opening his office and Stever has been successful in his business.

Million-Dollar Corporation  
Determined to Win or  
Lose In Field

That the Long Beach Consolidated Oil Company, a \$1,000,000 corporation recently formed for operation in the Newport Heights field, intends to prove or disprove the field, was the statement made today by Lew H. Wallace of Newport Beach. Drilling operations will probably begin this week and the company intends to fight back the water as the drilling progresses.

"Up to the present time," said Wallace, "none of the companies operating in this territory have made an effort to get rid of the water until a depth of around 2000 feet has been reached and the flow at this point has been so great that nothing but that line could be accomplished," he said.

The three principal stockholders in the company are men of considerable wealth and are among the leading oil operators in the country. Col. Tim Spellacy, of Los Angeles, Robert Watchorn, formerly of Los Angeles, who at one time was head of the Union Oil Company, and C. H. Windham, former mayor of Long Beach, are the men backing the proposition and they expect to spend a large amount of money in operations on the Heights.

Four Cementing Jobs  
"Probably four cementing jobs will be done in drilling this well," said Wallace. "Operations will begin with a 15-inch casing. This will be taken down to about 350 feet, where the first heavy flow of water is usually struck. The well will be cemented in at this point and operations continued with a 14 inch casing. Every time a heavy flow of water is struck the well will be cemented and by following this plan the company expects to be free of water when the oil strata is reached."

The site for the well the company is to drill on the Heights was selected by the geologist who is responsible for the famous Peabody field of Kansas recently developed by Watchorn. The Peabody field is one of the greatest producers in the country.

Last week Wallace entertained 91 stockholders of the company at Newport, taking them over the field and explaining conditions regarding other wells in the territory. Considerable interest was shown by the visitors in the tunnels along the bluff which were dug several years ago in an effort to develop the asphaltum beds lying under the Heights. This venture was unsuccessful because of a heavy gas flow which could not be overcome.

The lease secured by the company from Irvine is on 250 acres near the Country Club. Terms of the lease call for drilling operations to begin by April 1. It is said drilling would have started the first of the week had it not been for the rains which made the temporary road to the derelict impassable for the heavy trucks hauling fuel oil to the engine room.

\$8,000 Is Price Paid  
For W. E. Winslow  
Home on Bush Street

Mr. and Mrs. W. E. Winslow have sold their home at 712 Bush street to Mrs. W. Lawrence of 1002 French street for a consideration of \$8000. It is a nine-room house and has been the home of Mr. and Mrs. Winslow for the past twenty-five years, and they are disposing of it with a view to building a smaller residence for their occupancy. The lot has a frontage of 75 feet. The deal was made by Jas. Trew & Co.

The Winslows have not as yet definitely decided what they will do with reference to building. They own a fine lot on the southwest corner of Main and Twentieth with a sixty-foot frontage on Main street. It may be that they will build a small residence on the rear of the lot for use until such time as they may deem it wise to erect a larger and better bungalow on the corner.

Mr. Winslow recently sold his interest in the shoe store with which he has been identified for many years and has retired from active business life, the store now being conducted by Beissel & Newcomb.

### EARLY HISTORY RECALLED IN LOT DEAL HERE

Frank Heil today is passing to Carl Klatt the lot at the northeast corner of Minter and Vance streets, the piece being 75 feet frontage on Minter and 150 feet deep.

Heil has owned the lots for many years and many times has refused to sell, holding it with a view to building himself a home there. The death of Mrs. Heil has changed his plans and he is selling the property.

It is understood that Mr. Klatt does not intend building in the immediate future and has bought with a view to occupying it some years later with a home.

Ownership of the lot by Heil dates back into more or less early history of Santa Ana, and particularly with the French street park.

Some twenty-five years ago French street was not full width along where the park is. The triangular piece of ground was owned by Geo. L. Wright and was occupied by a house. The street was half width from Vance to Tenth. Heil and other property owners in the neighborhood negotiated with Wright for the piece and located him on the lot where his present home is located by the southeast corner of Vance and Minter, and gave him a lot on the northwest corner of Vance and Lacy. The owners paid the cost of moving his buildings. This accomplished, the property owners donated the triangular piece to the city for a park, one of the conditions being that the city would open French street full width through the block.

#### STILL BIG DEMAND IN ANAHEIM FOR HOMES

ANAHEIM, Mar. 25.—There is no let up in the demand for houses in Anaheim. Lumber yards report they are selling material for more houses than ever before. Real estate men say they are still flooded with inquiries for rental or salable houses.

Ross Bros., of the Orange County Realty Co., now starting the ninth of a series of new residences, report they are disposing of them as fast as they can get them started, selling some of them from the picture before the foundation is laid.

#### COX MAKES \$1000 DAY IN GROVE PURCHASE

Taking a profit of \$1000 a day for the four days he held the property, A. N. Cox has sold the 14 acre Valencia orange grove on West Fifth street for purchase last week from Silas F. Slusher. Cox sold to A. A. Holt, the consideration being \$20,000. N. J. Warner was the agent in the transaction, he also acting in that capacity in the sale to Cox.

#### SANTA ANA MAN BUYS RANCH AT PAULARINO

PAULARINO, Mar. 25.—Mr. Clarey of Santa Ana has purchased the five acres adjoining the Paularino Hatchery. One-half is now in apricot and pear trees and the balance in alfalfa. Clarey is planning to put the balance to orchard. He does not expect to build a residence until a later date.

### PERMIT TAB DISCLOSES BUILDING IN RUSH

1920 Showing In 5 Municipalities Reveals Total  
of \$1,026,096

Proceeding at a gait hitherto unknown, construction work in the five Orange county cities of Santa Ana, Fullerton, Anaheim, Orange and Newport Beach has already passed the million dollar mark for 1920 to date, just twelve weeks after the opening of the new year, it was disclosed today through a compilation of building figures by the Register.

The aggregate total of building in the five cities, as shown by official city permits, today stands at \$1,026,096, with an aggregate total of 511 permits issued. The accompanying table shows the number of permits, number of new dwelling houses included, and total valuation of permits to date this year in the various cities represented.

Analysis of the figures, which were secured from official records by the Register, reveal some interesting facts. It is shown, for instance, that Santa Ana's 216 permits is approximately two thirds of the total number issued, and that Santa Ana has built this year more than a third of the new dwelling houses constructed in the five cities. Also it is shown that Santa Ana's 1920 building total to date is greater than the other four cities combined, with about \$30,000 to spare. The figures are: Santa Ana, \$528,456; Fullerton, \$121,000; Anaheim, \$135,635; Orange, \$121,000; Newport Beach, \$56,230.

In the construction of new dwelling houses, including apartments, Santa Ana leads with a total of 54; Fullerton is next with 42; Orange third with 24, Anaheim fourth with 23 and Newport Beach fifth with 17.

### LADY BUILDERS HOME BUILDERS START ORANGE ON RIGHT WAY FOR FULLERTON

(Special to the Register)

ORANGE, Mar. 25.—Orange has seen the construction of twenty-four new residences since January 1, and to the woman builders of the community must the credit go for starting this city on the right building track, women taking a total of seven home-building permits to date, including five of the first six residence permits issued during the past twelve weeks. Latterly the men have taken up the building reins.

While Orange has not been given to boasting, she has been building just the same, and has a record of 58 permits issued since January 1, aggregating \$121,000, and including the 24 residences, according to the records of City Clerk D. G. Wettlin, who issues the building permits for the city.

The 1920 record is as follows: January, 21 permits, \$45,200; February, 24 permits, \$39,600; March to date, 13 permits, \$36,200.

Orange Residence Builders  
Residence permits have been taken out this year as follows:  
January, total 10; Mrs. Ellsworth, \$3600; Mrs. Emma Walling, \$3200; Mrs. Mary Rogers, \$3000; M. E. Bivens, \$4500; Mrs. Ora Clayton, \$5000; Mrs. Mae Coltrane, \$1400; C. E. Potter, \$2000; Carl Farmer, \$4000; Ross Hostetter, \$3500; Mrs. L. H. Bradshaw, \$2000; total value, \$52,200.

February, total 9; L. C. Gates, \$4,000; Fred Harwood, \$2500; W. F. Gilgoly, \$2000; F. C. Drumm, \$4000; B. D. Webster, \$2300; J. A. Dowden, \$2000; C. L. Wilson, \$6000; M. O. Ainsworth, \$6500; Orange Industrial Corporation, \$4500; total value, \$34,800.

March to date, total 5; F. R. Valentine, \$3500; Sarah Y. Tabor, \$4,500; R. H. Terhune, \$4800; Rev. M. Cook, \$3000; Clarence Walker, \$8,000; total value, \$23,800.

Total new dwellings value, \$90,800.  
Among other permits were business and industrial buildings as follows: E. G. Stinson, \$7500; and Wheeler Manufacturing Co., \$7000. The Free Methodist church took out a permit for a new church building to cost \$3,000.

#### CARMICHAEL 15-ACRE GROVE SOLD TO SMITH

GARDEN GROVE, Mar. 25.—Rev. and Mrs. N. Carmichael have sold their 15-acre ranch, one and a quarter miles east of town, to F. Smith of Texas. The ranch is in walnuts interest with Valencia.

Rev. and Mrs. Carmichael will leave soon for a visit with relatives in Iowa, but probably will not be able to resist the lure of the west, and are expected back before many months.

(Special to the Register)

FULLERTON, Mar. 25.—Forty-two new dwelling houses have been started in Fullerton since January 1, leaving this city second only to Santa Ana in home construction and setting a new record for a city of this size, it was shown today by the records of City Building Inspector L. H. Dysinger. More than half of the 74 permits issued during the twelve weeks of 1920 were for new residences, the majority of them costing above \$3,000.

The figures by the month are: January, 35 permits, \$84,275; February, 23 permits, \$54,350; March to date, 16 permits, \$46,150; grand total 1920 to date, 74 permits, \$184,775.

Among the March permits are seven for new residences, costing \$4,000 each, to be built by the Home Builders. This construction is taking place on West Wilshire avenue, adjoining the new grammar school site. Other March residence permits went to James Shaw, \$5500; and Mr. Erickson, well known oil man, who will build a \$4900 home on Hill Crest drive.

Other residences for which permits were issued are the following: January, total 13; Albert Sitton, \$8000; H. A. Coon, \$6000; E. S. Gregory, six at \$2000 each and two at \$2000 each; W. J. Cadman, \$3000; J. Ferrell, \$2000; M. Christman, \$3,500. Total value, \$44,500.

February, total 23; John Gardiner, \$6500; Ben Carey, two at \$3500 each; Lottie Hetebrink, \$3250; Sidney Johnson, \$3600; Home Builders, three at \$2600 each and one at \$3,300; Laura Gregory, \$2000; E. S. Gregory, three at \$3000 each; W. E. Wrightman, \$5200; Mr. Perry, \$2400; A. J. Kelley, \$4000; H. C. Post, \$2,700; Frank Benchesky, two at \$3500 each; Nettie Caldwell, \$4500; L. J. Ellis, \$3000; Total value, \$75,750.

#### SANTA BARBARAN BUYS AT HUNTINGTON BEACH

**83 Permits, \$56,230, Total For Year at Newport Beach**

(Special to the Register)

NEWPORT BEACH, Mar. 25.—Newport Beach, too, is building at a great rate this year, and shows a remarkable total for this season of 83 permits, aggregating \$56,230, as compared with a total of \$6,700 for the same period last year. Seventeen new homes and beach cottages are included.

Last Saturday was the biggest day when Contractor O. V. Noble took out permits for his contracts, aggregating \$24,400. The figures given do not include the fish cannery building of the Newport Packing Company or the wholesale fish markets, permits for which were issued prior to January 1. In January, however, there was a \$2600 addition to the fish cannery.

The building permit figures of City Marshal J. A. Porter today show permit totals as follows: January, \$7-875; February, \$17,945; March to date, \$30,410.

**Newport Residence Builders**

Included in the Newport Beach, East Newport, and Balboa residence permits this year are the following:

Walter Simons, of Los Angeles, \$3000; J. P. Horem, \$700 and \$1-200; Fred J. Crozier, \$3500; John Meurs, \$900; Miss Frances Brown of Riverside, \$2500; Sam Stipl of Los Angeles, \$2500; Roy Russell of Santa Ana, \$2250; Grace V. Harris of Pasadena, \$1000; Cecil K. Sherman, five cottages at \$2000 each; B. A. Sebring, \$3000; C. M. Sebring, \$3-600 and W. J. Renshaw, city engineer of Fullerton, \$1200. The Sherman, Sebring and Renshaw contracts are held by O. V. Noble of Santa Ana, who has also taken out a permit for a \$4000 garage at Balboa, adjoining the Knight apartments, which he is building for the Newport Bay Investment company.

The total value of the new dwelling houses here is \$41,450.

**Anaheim Shows 80 Permits For 1920 Totaling \$135,635**

(Special to the Register)

ANAHEIM, Mar. 25.—Anaheim is continuing her record building program, with a record of 80 permits issued to date this year, aggregating \$135,635. Included in these figures are 23 new residences, it is shown by the records of City Clerk E. B. Merritt.

The figures follow: January, 21 permits, \$13,560; February, 32 permits, \$43,250; March to date, 27 permits, \$72,825.

Those who have taken out residence permits this year are the following:

January, total 5: Ashley & Schlotter, \$2400; E. L. Spencer, \$4000; Wm. Geodes, \$2000; A. Naez, \$3500; I. N. Ines, \$3100; total value, \$15,000.

February, total 9: Mr. Weadon, \$10,500; Nebelung & Shanley, \$6000; Gustave Martens, \$1200; Orange County Realty Co., two houses, \$4000 and \$2750; J. A. Rominger, \$4000; Mrs. M. E. H. Remick, \$1400; Herman Karsten, \$2000; E. M. Schlottter, \$2000; total value, \$23,850.

March to date, total 9: Wm. Cordes, \$7200; Ben Groos, \$4000; Orange County Realty Co., two houses, \$4500 each; W. P. Quanton, \$5000; P. I. Osborn, two houses at \$3000 each; J. Paul Taggart, \$3000; Mrs. Emma F. Price, \$2200; total value, \$34,400.

Total value new 1920 residences, \$83,250.

## Supervisor Finley Tells Why He Thinks District Borders Must Be Changed

That the 1920 census will be used as one basis for an effort to re-district Orange county for supervisorial districts next fall is concluded by those who have been discussing the advisability of re-districting.

When there was discussion last December of re-districting, considerable agitation was started in the third district, which includes Fullerton, Anaheim, Placentia, Brea and other nearby communities, looking to the defeat of the move. It was largely the re-districting question that caused the organization of the Northern Orange County Protective League.

A number of articles have been published in newspapers concerning the situation. The Anaheim Gazette has just published a communication from Supervisor S. H. Finley, who gives figures showing that population and assessment figures are such that in equity there must be a re-districting.

The suggestion that was made last December and which was under consideration by the Board of Supervisors at that time was for transferring the Olinda and Yorba Linda sections of the third district to the fourth district, and for adding a strip east of Anaheim and Fullerton to the second district, which is Supervisor Talbert's district. Supervisor Edwards represents the fourth district. Supervisor Finley's statement published in the Gazette follows:

**Supervisor Finley's letter**  
"In your issue of Feb. 19, I notice that you quite seriously (and it seems to me unjustly) criticize Supervisors Talbert and Edwards for the part they recently took in an effort to equalize the supervisorial districts in population, and the road districts in valuation.

Since I represent a district in no way affected by the proposed change there being no county road in the district which I represent, perhaps a statement from me may be accepted without suspicion of a selfish interest and may aid in allaying the sectional feeling being stirred up, perhaps through a misapprehension of facts.

**Not a New Question**

The question of district equalization is by no means a new one and was not sprung over night, as you intimate. The law contemplates that the districts shall be as near equal in population as may be. Three years ago when the registration showed that the first district, which I represent, and the third district each had a larger population than any two districts in the county I made an effort to get an equitable adjustment of boundary lines but failed. The supervisor from your district opposed any change. The subject has been discussed at different times since but your representative never expressed himself in favor of equalizing the districts. When the question was taken up for discussion seriously a short time ago, the thought was that in equalizing the population in accordance with law, an effort should also be made to approximately equalize the valuation of the four road districts. The plan proposed seemed to the majority of the board to be the only one that would approximately comply with the law. Your supervisor was asked to suggest any better plan, but he declined, stating that he was opposed to any adjustment that would in any way change the lines of the district as it exists.

A special meeting of the board was arranged for, later, to allow time for consideration and suggestions of a

better plan. No one presented any suggestions and the meeting failed for lack of a quorum because your representative was not present. The charge that the board railroaded the matter or used any unfair methods is not sustained by the facts.

**Figures are Given**

"A few figures as to population and valuation may enable some who have wrong ideas on the subject to see that the supervisors were trying to act justly toward all sections of the county without any thought of dealing unfairly with any section."

**Population, based on registration of 1918:**

1st Supervisor District ..... 16,248

2nd Supervisor District ..... 6,545

3rd Supervisor District ..... 17,350

4th Supervisor District ..... 8,542

5th Supervisor District ..... 5,845

**Valuations, 1919-1920:**

2nd Road District ..... \$7,001,130

3rd Road District ..... 24,164,490

4th Road District ..... 7,932,385

5th Road District ..... 12,235,400

"It seems to me that a careful study of the above figures will convince any fair minded person that a readjustment on the basis of population and valuation should be made. As the third district is exceedingly high in both population and valuation, and the second and fourth districts very low in both respects, it is manifest that the only way to equalize them is by taking from the former territory that carries both population and road district valuation and adding it to the two latter districts. This result would not be realized by adding the city of Anaheim to the second district since it would only add population and no road district valuation. Probably the logical method of accomplishing the desired result would be to add the west end of the third district to the second, but this cannot legally be done since your supervisor lives in that section and we have no desire to interfere with his residence in his district even if it were possible.

**Fair and Reasonable**

"The plan proposed by the supervisors seemed to be fair and reasonable, since it left the road districts practically equal in valuation—between \$12,000,000 and \$13,000,000 each, and left it possible to increase the population of the second, fourth and fifth, which would still be somewhat below the average, by addition from the first district which has nearly the same excess population as the third district.

"I am not unkind and unappreciative of the fact that, so far as I know, your people are not disposed to criticize me personally for the part I have taken in the matter. I am not writing this in self defense, but only with the idea of presenting the subject from the impartial standpoint of one whose district was not directly affected by the proposed change of boundaries and only interested as it might do justice to the county as a whole and comply with the law."

## THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

Guaranteed to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.  
Weak, thin people—men or women—are nearly always nervous wrecks; thus conclusively proving that thinness, weakness, debility and neurasthenia are almost invariably due to nerve starvation. Feed your nerves and all these symptoms due to nerve starvation will disappear.  
Eminent specialists state that the best nerve food is an organic phosphate known among druggists as Bitro-Phosphate, a five-grain tablet of which should be taken with each meal. Being a genuine nerve builder and not a stimulant or habit-forming drug, Bitro-Phosphate can be safely taken by the weakest and most delicate sufferer, and the results following its use are often simply astonishing.  
Weak, tired people regain strength and vigor; thinness and angularity give way to plumpness and curves; sleep returns to the sleepless; confidence and cheerfulness replace debility and gloom; dull eyes become bright, and pale sunken cheeks regain the pink glow of health. Bitro-Phosphate, the use of which is inexpensive, also wonderfully promotes the assimilation of food, so much so that many people report marked gains of weight in a few weeks. CAUTION:—Although bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its remarkable flesh-growing properties, be used by anyone who does not desire to put on flesh.—Adv.

## L. A. CONTRACTOR LOW BIDDER AT \$16,232

PLACENTIA, Mar. 25.—A Los Angeles contractor was a low bidder on the four-story business building to be erected here by B. C. Baxter and Horace Lucy, at the corner of Bradford and Santa Fe avenues, with a figure of \$16,232.50. Chris McNeill and A. V. Van Tuyle of Santa Ana were among others who submitted bids on the structure. Construction work will not begin for some time, as the present lease on the property does not expire until the middle of April.

The building will be strictly modern and as near fireproof as it can be made. Construction will be of brick and plate glass front on the two streets.

It will contain four storerooms, none of which have yet been rented, but a number of applications are on file.

## SAYS FEW TO VIE FOR STETCHER PLACE

BY FRANKLIN B. MORSE  
(Written for Pacific Sports Service.)  
Followers of wrestling are inclined to the belief that Joe Stetcher is destined to hold the heavyweight wrestling championship of the world for some time to come. There are few who dispute his claim to the title made vacant through the death of Frank Gotch. His two most formidable rivals in the mat game are Earl Caddock and Strangler Ed Lewis, and Stetcher has shown conclusively that he is the master of this pair.

No mat man in the memory of wrestling fans ever has been a more expert opponent of the scissors hold than Stetcher and his application of this hold is a deadly one which, once firmly clamped on an opponent spells the beginning of the end. He has a tremendous power in his legs and to get in their vise-like grip is not far removed from being in the coils of a boa-constrictor. The pain that he is able to inflict is shown on the faces of the men unfortunate enough to become his victims.

Caddock is credited with a victory over Stetcher but at the time this was achieved, the former was already a veteran at the game and at the height of his prowess, while Stetcher was little more than a novice at the game.

Lewis lacks the size and weight to ever be a formidable opponent for Stetcher and his headlock hold is the only really dangerous hold which he has. It so happens that the conformation of Stetcher's head is such that Lewis has found he has been unable to make this headlock "stick" even after he has been able to apply it on Stetcher. This is because the champion's head is comparatively small and oblong so that he is able to slip it out of the grasp. It must not be inferred that neither Lewis or Caddock ever will beat Stetcher. It is possible at any time but unlikely. Stetcher probably could dispose of either man three out of four times. If the ratio were only two out of three it would be sufficient to prove Stetcher the best man of the three.

Of the other heavyweights that stand a remote chance against the champion is Waldek Zbyszko, the Pole, but followers of wrestling are convinced that he practically is out of the running. While the Pole is rated by many as the strongest man physically of the quartette, he does not possess the versatility or the powers of quick thinking which are a part of the champion's repertoire.

## The After Effects of Pneumonia

This is No. 2 of a series of advertisements, prepared by a competent physician, explaining how certain diseases which attack the air passages—such as Pneumonia, Influenza, Whooping Cough, Measles or even a long continued Cold—often leave these organs in an inflamed, congested state, thus affording a favorable foothold for invading germs. And how Vick's Vapo-Rub may be of value in this condition.

Pneumonia attacks the air cells of the lungs. An inflammation is set up and matter is thrown off which causes the air cells to solidify, thus preventing the natural flow of blood thru the lungs. This "backing up" of the blood causes the heart to pump harder, just as stepping on a hose increases the water pressure, which is the reason why, during this disease, the physician watches the overburdened heart so carefully.

After recovery the lungs are filled with a mass of wreckage—the debris of the battle—which must be gotten rid of by a process known as resolution. Frequently, inflamed spots remain, congestion persists, cough hangs on, and the least exposure brings on a cold that is hard to get rid of. If neglected, such damaged air passages may easily develop serious disease of the lungs.

Such cases should always continue under a physician's care and frequent examinations should be made to see that nature is

properly continuing the rebuilding process.

Nightly applications of Vick's VapoRub will aid nature in this work. Because Vicks acts locally by stimulation thru the skin to draw out the inflammation, attract the blood away from the congested spots and relieve the cough. In addition, the medicinal ingredients of Vicks are vaporized by the body heat. These vapors are breathed in all night long, thus bringing the medication to bear directly upon the inflamed areas.

Vicks should be rubbed in over the throat and chest until the skin is red—then spread on thickly and covered with hot flannel cloths. Leave the clothing loose around the neck and the bed clothes arranged in the form of a funnel so the vapors arising may be freely inhaled. If the cough is annoying, swallow a small bit of Vicks the size of a pea.

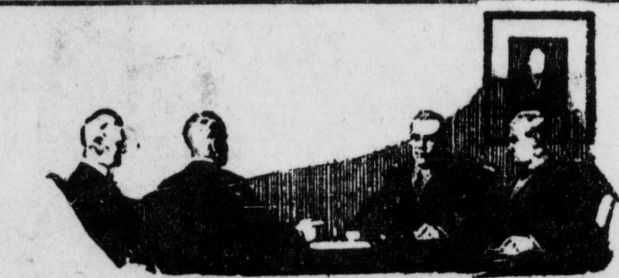

Samples to new users will be sent free on request to the Vick Chemical Company, 232 Broad Street, Greensboro, N. C.

Young George, popular among boxing enthusiasts at Vernon, will be among those present at the Grand Opera House tonight, it was announced today. George probably will act in the capacity of referee.

"Red" Mathews of Anaheim, finished his training yesterday afternoon by doing four fast rounds with the rope and six equally fast rounds of shadow boxing. Mathews, who has been doing his training at the Opera House, declares he is ready to go from the top of the game. Billie Mack of Vernon, undoubtedly will have his hands full to cope with Mathews in the semi-final.

Paddy Dillon of San Diego, will meet Marshall Brooker of Vernon. Young O'Brien of San Diego, has been matched with "Battling" Fritz of Vernon. "Battling" Chick of Fullerton, will meet Young Curly of Vernon. There will also be a fast three-round curtain raiser.

Interest among Santa Ana's boxing fans is keen in the bouts which will be staged tonight.

C. I. McCoy and C. G. Wilford, managers of the Santa Ana Amateur Athletic Club, have announced that the work of getting the organization into running order is so well along that they have been able to begin "lining up" some good gymnasium paraphernalia.

"It will not be long now before we will have an excellent place where the boys can develop and condition themselves properly," said McCoy.

## POLY ATHLETES ON EDGE FOR TRACK MEET

Track Coach "Spud" Morrison of Poly, has his men on edge for the Orange League meet to be held Saturday at Huntington Beach, and indications are that each of the fifty-two athletes who will make the trip will be in the pink of condition when the first gun is fired.

Interest in the meet is increasing at the school and a large delegation from the student body is expected to accompany the team to Huntington Beach. One of the largest crowds in the history of the track sport in Orange county is expected to be on hand to witness the contests.

Eight teams will participate in the contests. The schools to be represented are Santa Ana, Orange, Anaheim, Fullerton, Whittier, Huntington Beach, Pomona and San Diego. In the neighborhood of 300 athletes are expected to swarm into the beach town for the meet and their followers are expected to number close to 2000.

Special interest here is centered on John Spangler, who has been entered in six events by Morrison. Saturday will be Spangler's last appearance as a high school track athlete. He will appear in the three dashes, the relay, the discus throw and the broad jump.

Tryouts for the finals will be run Saturday morning at 10 o'clock. The finals will start in the afternoon at 2 o'clock.

A complete list of entries for the meet will appear in Friday's Register.

## 'BATTLING BANQUET' ON CARPENTIER LIST

BY HENRY L. FARRELL

(United Press Staff Correspondent)  
NEW YORK, Mar. 25.—Knockout Grub is first on Georges Carpentier's list in America. Then come Battling Banquet, Kid Reception and the best of the boys in Manager H. "Times" stable.

The idol of France, the blonde bridegroom, here on the chase of Jack Dempsey's heavyweight crown, has gone to the boards already, his mid-section pressed flatly against them—not the caivass padded timber of the ring, but the linen swathed mahogany of a regular dinner table.

Perhaps the daring aviator who still has the French war spirit of "take any chance to win," had a premonition that he would be offered more dinners in America than he had time to eat when he said on La Savole, heading up the bay yesterday—"Why is it that you speak only of fight?"

Francois Descamps, he of the round waist, line, the undersized stature and the hypnotic eye, said after his arrival that Carpentier could accept only two more of a score of dinner bids.

Between now and Monday when the European champion starts creating thrills in the role of a college hero for a serial, the newweds and Descamps will take in the sights of New York.

The movie men promised Descamps they would complete the film by May 1 if they could have the uninterrupted services of the champion. The trip to California has been cancelled and all the exteriors are to be filmed around New York.

Carpentier's vaudeville career of ten weeks under the management of Jack Curley starts May 3. On a tour of Eastern America and Canada he will shadow box and spar.

## LOCAL MEN LOSE IN WRESTLING MATCHES

Edward Covington, Jr., C. R. McClain and R. Marion Greathouse, Santa Ana boys representing Pomona College in the wrestling tournament being staged at the Los Angeles Athletic Club this week, are today recovering from some rough handling they went through in the preliminary matches. Neither of the men won their match, all being disposed of in quick order.

Covington managed to keep his shoulders off the mat longer than his team mates. It took Coumas (L.A.A.C.) six minutes and 19 seconds to secure a fall against Covington. Powers (L.A.A.C.) was awarded a decision over Mc Clain, and Greathouse was defeated by Wilson (L.A.A.C.) in three minutes, 57 seconds.

## RITCHIE TELLS WHY HE TOOK UP GOLF

By WILLIE RITCHIE,  
Former World Champion Light-  
weight Boxer.

(Written for Pacific Sports Service.)  
SAN FRANCISCO, Mar. 25.—It was in the fall of the year 1913, when I still was the lightweight boxing champion of the world, that I first took up golf, but the why and the how of it is here being given for the first time through the Pacific Sports Service. I must begin by saying that I knew nothing about golf and the impressions I had formed of it were anything but complimentary to the game, which I then considered a pastime for the superannuated and the mentally deficient. Today, I am glad to go on record as pronouncing it one of the greatest games in the world, if not the greatest.

It was while Harry Foley, my trainer, and I were on our way to New York from San Francisco to meet Leach Cross in a match that had been arranged, that I was sitting looking out of the train window and wondering what I would do in the way of getting publicity for myself in order to increase the gate receipts of the fight. I wanted to do something out of the ordinary, so the sporting writers would have something to write about. At the same time I did not want to do anything that would bring ridicule on me.

By chance I came across a golf story in a newspaper. It occurred to me that I never had heard of a professional pugilist ever taking up the game. Then and there I determined to make use of this game for the publicity it would get me. I said nothing to Foley, as I was afraid he would poke no end of fun at me for the decision. He also had an idea at the time that golf was an old lady's game.

One morning after our arrival in New York I told Foley we would get up at 6 o'clock the next morning. When I told him of my purpose he threw his hands up in the air and called me all the varieties of a fool on the calendar, as I would be the laughing stock of the sporting world. I refused to be argued out of my plan.

The next morning early we were out at Van Courtland Park municipal links and we picked the biggest and brightest looking caddy we saw and told him we were a couple of dubs at the game and

wanted him to show us how to play. We also said we would each need a club as we had not brought any.

"One club each?" the caddy asked with a smile, "what'll you have, a brassie or a putter?" "Good Lord," I thought, if this kid is starting in to give us the laugh even before we begin playing, what is going to result when the world hears of it, and I admitted my feet were exceedingly chilly.

"Kid" Comes Back.  
The kid came back with a couple of bags of clubs, and we asked him if he thought we were hiring clubs for all the public to play with. He told us we'd need them and then explained their uses.

I accorded Foley the honor of driving off first, an honor he modestly protested until I told him I'd crack him across the head with my club if he did not accept it. "Crack the pill out for a home run," I said by way of encouragement. The only thing that went off the tee was his hat which was swept from his head through his exertion. He positively refused to try again until I had a crack at it.

I took a sight on a tree about a mile and a half away, took a Ty Cobb grip on the club and let fly. After I stopped spinning around I discovered I had sent the ball about fifteen feet. By that time there were a lot of people waiting their turn at the tee, and I expected to be given the horse laugh, with a lot of jeering comment thrown in anent my dub exhibition. Imagine my surprise when not the slightest notice of it was taken. This was the first time that I came in contact with the courtesies and ethics of golf. It was a new thing to me after the jeers that accompany a slip made in the ring, and I thought it was a very fine thing. From that moment I conceived a respect for the game and its devotees.

I got the publicity I was looking for and also I became infected with golfitis and became a fan. In my next story I will tell you why I think every boxer should take up the game of golf.

## 20,000 Per Day

Twenty Thousand Goodyear Clincher Tires alone are manufactured every day.

Do you think there could be anything but Honesty all the way through, and the highest of intention, on the part of any manufacturer who could duplicate this performance every day?

## Think it Over

These tires, built in the largest factory of its kind in the world, are here for your inspection. They cost no more than ordinary tires. Let us show you.

ALL OTHER SIZES IN STOCK

Our helpful tire service will increase your mileage. It costs you nothing.

We Have Goodyear Heavy Tourist Tubes, Too.

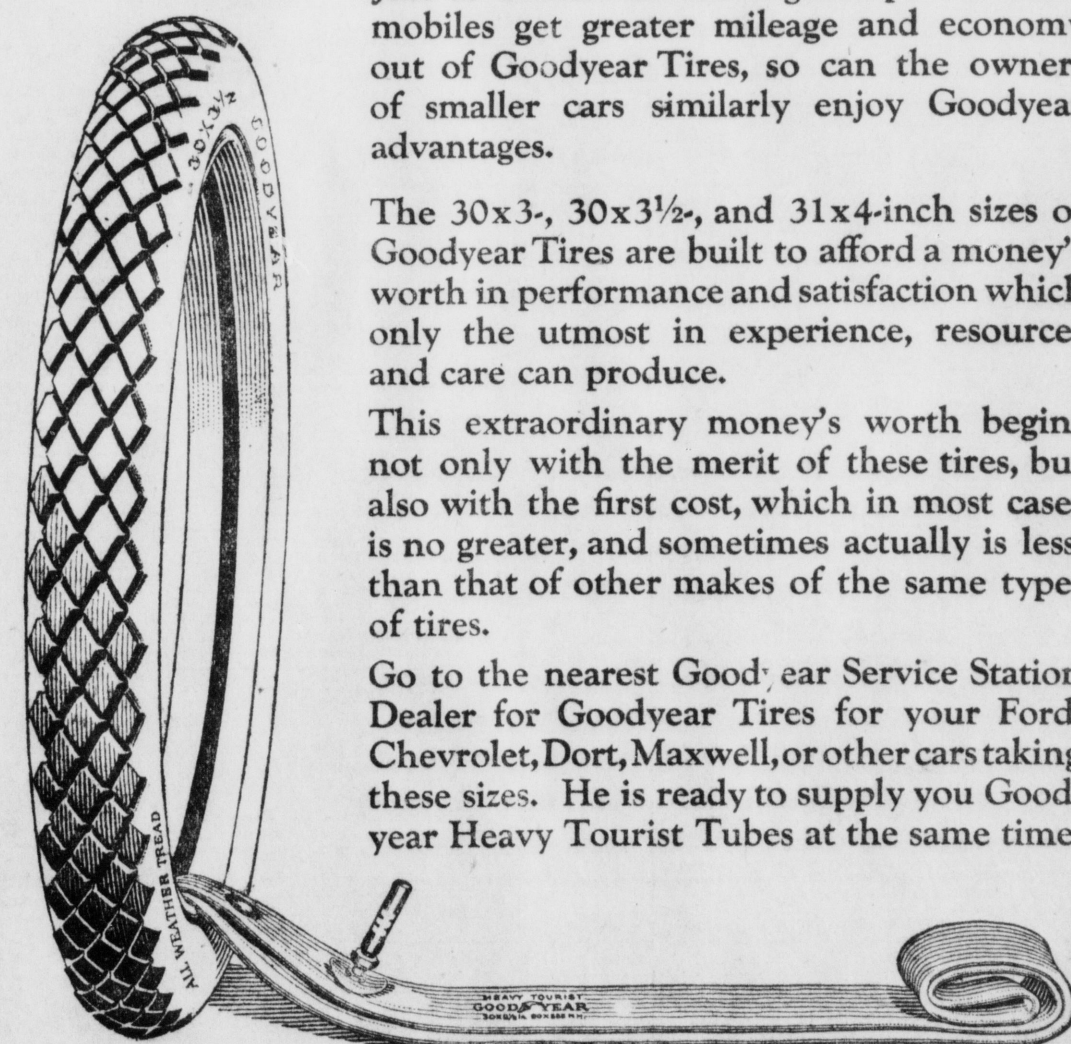

## Get Goodyear Tire Economy for That Smaller Car

Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3-, 30x3½-, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

30x3½ Goodyear Double-Cure  
Fabric, All-Weather Tread..... \$23.50

30x3½ Goodyear Single-Cure  
Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag..... \$4.50

# GOODYEAR

We have a stock of Goodyear Tires in all sizes and types from 42x9 down to 30x3. See us.

## Did It Leak?

These rains are just the thing for the ranchers but they surely do show up bad roofs. Don't be like the man who said it was too rainy to fix it in the winter and it didn't need it in the summer. Let us look at it. We can fix it.

## HUNTINGTON HAS BUILDING AND REALTY BOOM

HUNTINGTON BEACH, Mar. 25.—R. A. Arnett, who recently sold his acreage near this city, has purchased through W. D. Seeley, Huston & Baxter a pair of lots on Tenth street, and will begin work in the near future on a new home.

Josephine Smith has recently purchased two lots on Tenth street and will erect a fine new residence.

**Firm Does Big Business.**

W. D. Seeley, who has been engaged in the real estate business in this city for a number of years, has recently taken into his office J. A. Baxter and D. W. Huston. Mr. Seeley has gained a wide reputation as a reliable and energetic realty dealer, and the record of his office bears further evidence of the fact that he is a "live wire." Mr. Baxter recently moved to this city from the East and Mr. Huston is a well-known ex-trustee of the city. From the way the new men are starting they promise to be "world-beaters."

They report the following sales during the past thirty days: House and lot on First street, to J. M. Carthers; one acre on boulevard, Wm. Carter to A. R. George; house and lot on Eleventh street, J. W. Bergman to Mrs. W. Vandercrook of Fullerton; 12 lots on Sandercock of Fullerton; 12 lots on Sandercock of Fullerton; 12 lots on Sandercock of Fullerton; 12 lots on Sandercock of Fullerton.

Besides dealing in real estate, these men have grasped the opportunity to help some of the local ranchers place oil leases on their land and have recently placed a lease for Peter Ringville, one for Mr. Woods and one for G. J. Houghton. They say they can place a number of leases with reliable Los Angeles companies.

**Wright Has Rosy Report.**

E. C. Wright reports business good and improving every day. Mr. Wright has been in the real estate business in this city a number of years and is thoroughly conversant with values and always does his share of the business. He reports the following recent sales: Lots 1, 5, 7, 16, block 704, Vista Del Mar; lots 5 and 7, block 406, V. D. M.; lot 5, block 713, V. D. M.; one acre in Tract 7; two whole blocks in East Side Villa Tract; a 5-room house, house and lot in Vista Del Mar, and two big farm deals, being 20 acres, four miles north of the city, and 10 acres at the city limits.

**C. W. Warner Busy Man.**

Judge C. W. Warner has recently been appointed deputy assessor and has been extremely busy. His official office gives him an unusual opportunity to become familiar with values. Even though going at top speed with the county work, he reports the sale of the L. M. Lindsay place on Fourteenth street, to J. L. Burmeister, who has moved into the newly acquired home; the J. H. Lawrence house on Huntington avenue to G. M. Ward of Colorado; who has also moved to California; the Albert Hughes home to H. B. Haskell of the Southern California Edison company, and the Grover DeLapp home to C. A. Luckfield.

**Mitchell Sells Residence.**

J. W. Mitchell, who recently opened an office in the city, breaks into the game by the sale of Miss O'Keefe's home on Thirteenth street, to Mr. Towle.

H. Larter, director of the First National Bank, who limits his operations to farm lands, reports the sale of four acres of highly improved land at Westminster, to Mr. Winkpleck.

Every realtor interviewed expressed himself as well pleased with the outlook and all are enthusiastic in their belief that the coming season will be the best enjoyed for some years.

**WEST NET GIRLS O. K. AS DOUBLE PLAYERS**

SAN FRANCISCO, Mar. 25.—The western tennis girls have shown that as double players they are equal to the best in the country. The phenomenal victory of Mrs. Ethel Sutton Bruce of Los Angeles and Helen Baker of this city over Mrs. Wightman, the national women's champion, and Eleanor Goss of New York clearly places the coast double team in the first rank of women players. The victory of the west over two such formidable players as the east put on the courts was not expected and the victory is all the more remarkable on the brand of tennis played. The eastern girls showed all the best there was in tennis and the western girls met them stroke for stroke. The game played last week at Berkeley was the most sensational and spectacular game ever seen on this coast. The eastern team admits in a fine spirit of sportsmanship that they played their best game and were beaten by a better team playing a better game than they showed.

## 'Bird of the Dawn' Is First Laguna Picture; Will Star Hedda Nova

LAGUNA BEACH, Mar. 25.—The Laguna Del Rey Art Film Co., newly organized, will shortly commence work on its first picture, entitled "The Bird of Dawn." The scenario was written by Miss Lolita Perlne in Laguna Beach.

Hedda Nova, who is to have the leading role in the picture, her husband, Paul E. Hurst, and Fred Malatesta, the "heavy," spent two days in Laguna last week, looking over the locations and conferring with the directors of the company. They were entertained by Mrs. Otis Jones at the Breakers and by Mrs. Frost and Miss Peake, who motored them over to Capistrano for dinner.

## HANSEN BOASTS ONE OF LARGEST DAIRIES

HANSEN STATION, March 25.—This section boasts of one of the largest and best equipped dairies in the county, the "Hansen Dairy," thoroughly modern and using all the latest and most up-to-date methods for milking and care of the milk. The shipments of dairy products and eggs from this section are heavy.

**Buys Twenty Acres.**

E. Waynick has purchased twenty acres in this vicinity. That means he will remain with us. Waynick is a graduate of the State Agricultural School and at present is foreman of the Dr. Gates' ranch.

Gophers and linnets are quite a pest this spring. It keeps the ranchers busy after them.

Orange picking will soon begin here.

**Bumgartner Place Sold.**

Al Kemp's ten acres, all in barley, not only shows a fine crop but is beautiful to look at, one waving mass of green.

It is reported the old Bumgartner place on North Hansen road has been sold to an Imperial valley man who will improve and occupy it as a home.

John Montgomery has lately sold ten acres on Sealy Road.

Mrs. and Mrs. Harry Hathaway and Mrs. M. E. Canby were guests of Mr. and Mrs. Homer Eddy Sunday.

Merrill Hunt sports a new Ford roadster.

A number of our enterprising ranchers are going into the turkey raising business. This will sound good about Christmas or Thanksgiving time.

These copious rains give everyone the chance to plant and grow flowers. How they do brighten up the bare places! And the glow of color is a relief to the eye. Let us combine the practical with the ideal, and grow more flowers. It will help to keep the children on the ranch.

**HUNTINGTON BEACH IS SHIPPING BEANS**

HUNTINGTON BEACH, Mar. 25.—Sixteen cars of lima beans have been recently shipped from the Huntington Beach warehouse, east of the city, and the Golden West warehouse at Smeitzner.

Richard Drew, manager of the Huntington Beach warehouse, reports two cars consigned to New York City and one each to Abilene, Texas; Poughkeepsie, N. Y.; Steubenville, O.; Indianapolis, Ind.; Milwaukee, Wis.; Atlanta, Ga.; Kansas City, Mo.; Dayton, O. These ten cars contained 6,664 sacks.

Two of the six cars shipped by H. T. Dunning of the Golden West warehouse were consigned to New York City, and one to Baltimore, Md.; Wilkesbarre, Philadelphia and Pittsburgh, Pa. The shipments consisted of 5,000 bags.

**SAN DIEGO MEN HERE TO INSPECT ROADS**

The Board of Supervisors and Highway commissioners of San Diego county and Engineer Moulton were here yesterday inspecting the paved roads of Orange county. They were out most all the afternoon with County Engineer McClellan, who took them to different sections of the county.

San Diego recently voted bonds for extending the good roads system in the county and the officials were here to gather information that would prove of value to them in the work to be done there.

**Stops Medicine—Health Recovered By Internal Baths**

Mr. A. Carnevali, 457 Montgomery St., San Francisco, Calif., writes Tyrell's Hygienic Institute of New York as follows: "I must admit that the cure of J. B. L. Cascade's case of chronic constipation from which I suffered since May 12, 1918, I have never even tasted any kind of patent medicine or purgative. My health is excellent in every respect."

Over half a million bright, keen, that Internal Bathing is more essential to health than external baths. Have found that, used occasionally at night, they feel like different people. Tired, nervous feeling, but having by nature's own cleanser—antiseptic warm water—removed all the poisonous waste from the lower intestine, they awake thoroughly refreshed by normal sleep, with all their functions acting properly, clear headed, happy and confident, eager and capable for the duties of the day.

Why not learn more about this rapidly growing and natural practice? The "R. L. Cascade" is the invention of Chas. A. Tyrell, M. D., of New York, a specialist on internal baths for 20 years, and is now being shown and explained by Rowley's Drug Co. in Santa Ana, who will give you—free on request—an interesting booklet on the subject called "Why Man of Today Is Only 50% Efficient."—Adv.

## VETERAN SCHOOL TRUSTEE SAYS HE'LL QUIT

TUSTIN, Mar. 25.—The annual election for school trustees in the Tustin district will be held tomorrow, March 26. The term of I. L. Marchant expires at this time. Marchant declines to be a candidate for the office again, although in perfect harmony with all the other trustees. He says that having been a member of the school board for twelve years, he believes the honors and responsibilities of the office should be passed around.

The names of Byron Crawford and Chas. E. Dauers have been mentioned as possibilities.

Mr. Marchant has been re-elected to this office each term since the last year that Mr. Zeilman was school principal. At that time there were five teachers in addition to the principal.

In 1913 two acres were added to the school grounds and the present building, a kindergarten, rest room and kitchen. The building is to front on Main street.

On the next day, Saturday, the school board election is to be held. The polls will be open from 8 a. m. to 6 p. m., at the school house. Local people are urged to come out and support the school bonds.

To Submit Church Plans.

The architects, Jeffrey & Schaefer of Los Angeles, have submitted the plan and a picture of the new school building comprising four classrooms, a kindergarten, rest room and kitchen. The building is to front on Main street.

The subscription list for funds to prosecute the test trial in regard to the Mutual Telephone company is at the First National Bank of Tustin in charge of Mr. Vance. The trial is soon to come before the supreme court.

The Tustin committee is very anxious to get its proportion of the amount to be raised so that its representative, Wm. Belding, can turn it over to the central committee. Those who have subscribed and have so far overlooked the matter are urged to turn their money in at once at the bank.

The regular meeting of the Tustin Presbyterian Missionary society will be held Tuesday afternoon at the home of Miss Ida Mitchell in Santa Ana.

**QUOTAS HAVE NOT BEEN ANNOUNCED**

Quotas for the various Baptist churches in Orange and other Southern California counties have not yet been assigned by those managing the campaign by which it is proposed to raise \$3,699,000 among the Baptists of Southern California as their share of \$100,000,000 for the New World Movement.

A conference of Baptists, held in Los Angeles, was attended by J. S. Runyan and J. J. Harrison of the First Baptist church of Santa Ana.

A resolution was passed at the conference expressing the confidence of the Baptist leaders that Japan will deal in an upright manner in handling the Korean situation. Dr. J. M. Scott, who will sail for Japan on April 3, will bear the message.

**UNIQUE STEP TAKEN BY ELSINORE FOLK**

An unique step in the compiling of Chamber of Commerce advertising matter has been taken by the leading residents of the Elsinore valley in having all statements as to soils, crops, yields, etc., sanctioned by the local farm center before publication. Being earnest and sincere in their desire to see the section advance these community leaders feel that the valley has so many real advantages and opportunities to offer that they should be carefully checked over to prevent not only the omission of any of the good points but exaggerated statements regarding any of the many advantages as well.

**DIVING BEAUTY GETS HER FIGURE INSURED**

LOS ANGELES, Mar. 25.—Annette Kellerman, world-famous diving girl and motion picture star, today carried insurance on her figure in the sum of \$250,000. The policy was underwritten by a local firm. The swimmer wanted her life insured but the agents told her she took too many chances to make that possible, so she had them insure her shape instead.

**PACIFIC SCHOONER BURNS IN ATLANTIC; REPORT CREW SAFE**

NEW YORK, Mar. 25.—The auxiliary schooner City of St. Helens took fire and was abandoned off Baufort, North Carolina, according to a wireless message picked up by the naval radio station here today. The crew was taken off by the steamship Doree, bound for Baltimore. The St. Helens was built in 1917 and belonged to the Lafayette Shipping Company of San Francisco.

## Newport Beach Houses All Full, School Man Moves to Wintersburg

WINTERSBURG & SMELTZER, Mar. 25.—Prof. H. O. Ensign has rented the Otis Taylor home in Wintersburg, and on Saturday Mrs. Ensign and the two younger children came here to stay.

The house which the family were renting at Newport, where Prof. Ensign is principal of the school, was sold and as no accommodations other than a two-roomed apartment were available, the present arrangement was made and Mr. Ensign will keep the other two children, Eugene and Marjorie, with him in school at Newport until the term closes.

The family had intended to return here for the summer vacation months, so were glad to have the opportunity to get the Taylor house in advance, as vacant houses are scarce here as elsewhere.

Prof. Ensign and the children will come in Friday evening to remain over the spring holiday, which includes all of next week.

## HARPER 'OLD MAIDS' ENTERTAIN FRIDAY

HARPER-FAIRVIEW, Mar. 25.—The Harper church is to be the scene Friday evening of an "Old Maids' Convention," which promises to be an interesting occasion for all mesa folks, as the "old maids" have pledged themselves to provide a worth-while program. Everybody is invited, of course, but especially all the old bachelors and widows of the district. The affair is under auspices of the Ladies' Aid society. There will be a small admission charge.

Geo. 'Bill' of the Fairview Farms, is very sick with pneumonia. He took sick Saturday evening.

W. Stearns returned home from Imperial Valley Saturday, but left again for the valley on Tuesday.

Mark Baker is repainting his house.

Mr. and Mrs. Williamson motored to San Diego on Friday to visit their son and his wife. They expected to return Wednesday or today.

## FRIED GRASSHOPPERS DELICACY, IS CLAIM

CORVALLIS, Ore., Mar. 25.—Ever eat fried grasshoppers?

You're missing a real delicacy, if you don't, according to Frank L. Snow, professor of industrial journalism at the Oregon Agricultural College here.

Snow spent six years in South Central Africa, and it was there that he learned something about what is good to eat.

After all, what one eats is largely a matter of custom, said Professor Snow. "Many fastidious epicures in this country are willing to pay high prices for frogs. But down in Africa the blacks turn up their noses at the idea of eating frog meat."

"Ikona muschli," they say. (No good.)

But these natives are particularly fond of grasshoppers. I first indulged in their delicacy when I had been without food for many hours, and they really tasted like more."

## WARN AGAINST USE OF CHEAP GAS TUBING

The American Gas Association has issued a warning to gas consumers against the use of cheap unit tubing in connection with gas appliances. According to the association, such tubing constitutes a definite menace to human life and is responsible for many of the accidents attending the use of gas heating devices which are reported every year.

## NORTHWEST LAUNCHES INTO BALL SEASON

TACOMA, Wash., Mar. 25.—When President Louis H. Burnett of the Pacific International ball league calls the officials together at Vancouver on Saturday the northwest will get into the ball season with both feet. The main business of the meeting will be to set the schedule of the season. The six teams composing this league are Seattle, Tacoma, Vancouver, B. C., Spokane and Victoria.

## LAGUNA ARTIST LOSES CANVAS IN BREAKERS

LAGUNA BEACH, Mar. 25.—C. A. Faillie, well known member of the artists' colony here, had a very unpleasant experience one day recently. He was painting at the extreme end of Goff Island when an unusually large wave came in unexpectedly, and knocked him down. His canvas and eighteen dollars worth of paints were washed out, but Faillie was fortunately able to recover his brushes.

Prof. and Mrs. Waddle and their son, Elliot, will arrive in Laguna on Friday, March 26, to spend the Easter vacation. They will be the guests of Mrs. Marie H. Frasier. Dr. Waddle is professor of child study at the Los Angeles State Normal. Mrs. Waddle is a noted writer and lecturer. She gave a lecture in Laguna some time ago, on children, called "The Rainbow Spirit of Youth."

Mrs. Frasier's mother, Mrs. Harding, has returned to Laguna from Santa Ana, where she has been visiting her son, James Harding.

Conway Griffith has returned from a very pleasant visit in Riverside with Mrs. Harriet Norton and her family.

Mrs. Masters, Mrs. Arthur Heinemann and her daughter spent Saturday in Laguna and Arch Beach. Mrs. Masters is the sister of Miss Augustus, the well-known patroness of art.

Miss Harriet Kuehnmsted and a party of friends motored down from Pasadena Friday to spend the weekend.

Mr. Biglow is down from Riverside for a few days to plant a garden in preparation for the summer.

**Manrique Becomes Ill.**

Francisco J. Manrique was taken ill last week in Los Angeles, where he and Mrs. Manrique had gone to meet some guests, and was compelled to take to his bed, where he will have to remain for some weeks.

Dr. and Mrs. Ralph W. Reynolds and their children were in Laguna over Sunday, occupying Mrs. Newton Johnson's house.

Mr. Kirkley motored down from Los Angeles Tuesday and spent the night at his cottage, coming to see if the storms had damaged his place.

Dr. and Mrs. Howe drove down from Riverside Thursday and stayed until Sunday at their cottage.

Miss Pauline Jahraus spent Saturday and Sunday at her home on the Cliffs.

**Wind Blows Tree Down**

The high wind of Saturday night blew over a large cypress tree in the hotel yard. The tree was not broken and will be pulled up and replanted. No other damage has been reported. The rain has done a great deal of good, grain and gardens are flourishing and all the cisterns are full. Monday afternoon hail fell for a few minutes. The sea has been extremely beautiful during the storm.

Mrs. Gilbert Drew, Miss Eva Morgan and Mr. and Mrs. Ben Read spent Tuesday and Wednesday with Mr. and Mrs. Robert Evans. They have been in Los Angeles all winter and were on their way to San Diego, where they will spend some time before returning to their home in Oshkosh, Wis.

Frank W. Cuprien is holding an exhibit at the O'Hara and Livermore gallery in Pasadena.

Symons on Carnegie Jury

Gardner Symons has been elected to serve on the jury of the nineteenth international exhibition of the Carnegie Institute in Pittsburgh, which opens April 20. Other eminent men to serve on the same jury this year are Julius Alsson from England, Andre Dauchy from France and Emil Carson, Charles H. Davis, Charles Hawthorne, Edward W. Redfield, W. L. Lathrop and Edmund C. Tarbell.

## REFUSES \$15 OFFER FOR OLD BELL BOOK

"Reminiscences of a Ranger," written by Horace Bell in 1881, and dealing with the early history of California, today is a book that is bringing a good premium and one of the few numbers known to be in existence in Southern California is owned by E. G. Huntington, 709 S. Main.

Huntington was in Los Angeles some time since and in the course of his travels went into a book store and by chance heard that a copy of the book was being held at \$20.

Remembering of having had a book at his home he commenced to delve into the old stored away books and found what he was looking for. He has been offered \$15 for it, but refuses to part with it, declaring that he is going to keep it for his grandchildren.

## WALKER REPORTED TO HAVE LEFT ANAHEIM

According to reports from Anaheim, Architect J. F. Walker of that city is missing. It is said that he left the city last Thursday, and to have written a note stating that he was leaving to escape certain creditors in the east. Mrs. Walker is said to have sold their household furniture and to have departed last Saturday, presumably to join Walker.

Walker returned to Santa Ana some months ago with a view to re-establishing himself in business here. He was involved financially when he departed from here some years ago, and declared that he had returned to make good all claims held against him.

Later he went to Anaheim, where he apparently was building up a good business. It is said that he left some creditors there, among them, a young man who was employed in his office.

**Youthful in Body and Mind**

Never mind your age—as measured by years. How do you feel? That's the thing that counts!

See this sprightly old gentlemen coming toward you down the street. His birth record would show you that he is past seventy. But judging from the easy grace with which he swings along, his erect carriage, his ruddy complexion, the keen glance of his eye, his whole appearance the very picture of health, you would say that he is not a day past fifty. He is young in spite of his three score years and ten.

More frequently you see the opposite of his type. Men scarcely in their thirties—haggard, listless, weak, nervous—men who take no interest in life, just dragging out a weary existence, all in, tired and worn out. Though young in years, they are, nevertheless, old men. Their vital forces are on the wane. They've lost their "punch" and "pep." They feel old—and they look it!

Stay young by keeping your body fit. Keep stomach, bowels, liver, kidneys and bladder healthy and active. Build up your strength and health. Nothing will accomplish these results better than
